

Cayuga St. Approved, Tavern Law Stalled

Repaving Authorized
But Limit On Liquor
Permits Fails To Pass

A contract was awarded Monday night for resurfacing of Cayuga street, but Granite City Aldermen found themselves a vote short of setting a limit on the number of liquor licenses. Proponents of the limit indicated that it will be revived at a later meeting.

The Cayuga street resurfacing, which had shored extensive debate at council meetings, until its scope was reduced, was authorized by a 12-1 vote after only a brief discussion. Low bidder was G. H. Sternberg and Co. at \$16,879.

Only comment was made by Alderman Walter Nunn, principal bidder of the project, who congratulated the city engineer for a "real good, efficient job." He noted that the engineer had set a \$17,000 estimate.

Other bidders were Leclair of East St. Louis, \$17,806, and J. H. Seebold of Granite City, \$17,921. Only dissenting vote on awarding the contract to Sternberg was cast by Mrs. Gabrielle Bettine. Three aldermen were absent.

In another street project backed by Nunn, the council voted 11-2, with Mrs. Bettine and Sam Whitner opposed, to have the engineer draw up plans and specifications for improvement of two streets in the next year. They are West 22nd street from Rock road to Leyden avenue and Leyden avenue from Cayuga street to West 22nd.

Approve Two Streets
Nunn's motion followed an announcement that the state has approved arterial development for the two streets. Commenting that "we bypassed other streets" to include West 22nd and Leyden, Nunn said this was done at the urging of Granite City Civic League members.

"We said that if the state approved, we would go along with it," Nunn remarked. Civic League members attend each council meeting.

Alderman Whitner told the council, "We are putting a lot of streets in here to be done with motor fuel tax money. The city ward had four or five at the last meeting. The money is going in here to come from motor fuel taxes for 20th street and Nunn's old road. I think we had better go a little cautiously. They are very important arterials to the city."

Mrs. Bettine ended her discussion, saying, "I don't care for the way this is being done. Just because there is talk about a particular street, let's take a city ward, that's no basis for voting."

Heated Exchange
Nunn rose to his feet and denounced the economic council member, asserting in a voice that "we don't care if you go along on this. You are not. You advocate, and then go against it. You were one of those advocating West 22nd. People know when we tell the truth and don't tell the truth."

No action was taken on the sixth ward streets improvement of which was placed in first reading two weeks ago. It was noted that Alderman Casner Skubish, who introduced the proposal, was absent Monday night. The projects are Fifth avenue, Nunn's road to Marshall avenue.

Phone Workers, Firm Sign 3-Year Contract Today

A new three-year labor contract was signed early this morning in St. Louis by officials of Southwestern Bell Telephone Co. and District Six Communications Workers of America. Previous agreements have been for terms of 12 to 15 months.

The new labor contract grants an initial wage increase of 4.5 percent, immediately ranging from \$1.50 to \$4.50 a week to 47,000 Southwestern Bell employees represented by the union.

The contract also contains reopener provisions on wages and job reclassification after the end of 12 and 24 months.

Fred B. Hunt, vice president of the union, said the Missouri-Illinois area, said total cost of the settlement will be \$200,000 a year for increased wages and other benefits.

"Higher cost resulting from these wage increases will hurt our customers," Hunt said. "The company will make every effort to offset the effects of these wage increases by cutting costs through cost management, and improved technology. But after we have opportunities to study the full effects of this, we will have to make any necessary wage increase it may be necessary to seek some adjustment in our charges for service."

Other major items in the new agreement are:

1. A major medical insurance plan paid for by the company, which will help protect employees and their relatives in case of serious illness.
2. Increases in minimum pension for employees with longer periods of service.
3. An increase in the company's contribution to the group life insurance program.
4. In addition to the general wage increases, telephone employees in 11 cities will receive additional pay hikes because of the new agreement, but these will be higher wage schedules.

Southwestern Bell operates in Missouri, Texas, Kansas, Oklahoma, Arkansas and the Illinois Metropolitan Area.

Earlier, Hunt told the Press-Record that it might be necessary to go to court to correct the excavation situation. He cited as the basis for court action Section 9-115 of "Road and Bridge" and "Laws of Illinois," which reads in part that: "It is unlawful for any person to deposit spoil or cause the spoil from any excavation to be deposited nearer than 20 feet to any established right-of-way of any public highway located outside the corporate limits of any municipality."

A tentative lease-purchase agreement for the new town hall building, complete except for sums and dates, was presented to the board by Attorney Nick Vassilef.

A motion was passed to hold a special public meeting Monday at 7:30 p.m. to work out any missing details, prior to presentation of the finished contract to Contractor Henry Ross for acceptance. Ross' bid of \$25,925 was lowest of three sealed bids.

(Continued on Page 7, Col. 4)

Rerouting Here After 18-Car Derailment

Derailment of 18 railroad cars last night in Glen Carbon has caused rerouting of two train lines from the Granite City Washburn station.

Changes will send Illinois Central lines over Washburn in a detour from here to Litchfield, and Nickel Plate lines will detour from here to Charleston, Ill., over New York Central tracks.

The accident occurred at 8:45 p.m. yesterday when an Illinois Central freight train derailed on the southern outskirts of Glen Carbon near a point where a switch controls three tracks. At least one utility pole was knocked down, and the railroad tracks were badly mangled, but no one was reported injured.

(Continued on Page 7, Col. 1)

Drainage, Building Discussed By Township

Namecki Board to Meet
With Levee District
On Pontoon Flooding

Several residents of Pontoon Beach sat in at Tuesday night's meeting of the Namecki town board to discuss what they feel is inadequate storm water drainage in the area.

Although the board failed to disclose any specific remedy for the situation, Supervisor Harry Briggs told the visitors he expected members of the levee board to come and study the problem "within the next two weeks," and determine what can be done.

"If they can't do it, nobody can," he said. "They've got the best equipment."

During the discussion, Homer Marrison, 4150 Division street, traced the start of the drainage problem to three years ago, prior to when he said Pontoon road was being toward the bridge and other roads, and little has been done, he said, and Long Lake is "always high."

A new ditch from Division street to the lake would help, Marrison said.

Charles Hanks, road commissioner, discounted Marrison's contention that little has been done, explaining that a continuing program of maintenance along the ditches and roadway exists. He blamed standing water from recent rains on ditches being excavated for installation of water lines, which clogged other drainage lines.

Possible Court Action
Earlier, Hanks told the Press-Record that it might be necessary to go to court to correct the excavation situation. He cited as the basis for court action Section 9-115 of "Road and Bridge" and "Laws of Illinois," which reads in part that: "It is unlawful for any person to deposit spoil or cause the spoil from any excavation to be deposited nearer than 20 feet to any established right-of-way of any public highway located outside the corporate limits of any municipality."

A tentative lease-purchase agreement for the new town hall building, complete except for sums and dates, was presented to the board by Attorney Nick Vassilef.

A motion was passed to hold a special public meeting Monday at 7:30 p.m. to work out any missing details, prior to presentation of the finished contract to Contractor Henry Ross for acceptance. Ross' bid of \$25,925 was lowest of three sealed bids.

(Continued on Page 7, Col. 4)

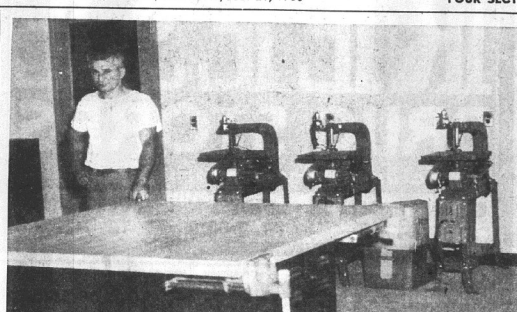

Question of Authority In Committee Delay

Four new Republican committeemen to fill new Precincts 25 through 28 still have not been named, said Chairman Luther Ruder, said today.

Eight names have been offered for organization and four others by the Madison county organization. The question of who has authority to select the precinct committeemen is causing the delay, Ruder said. Traditionally, the city organization would make the selection, he said.

A meeting is scheduled for Saturday at which time the chairman said he hopes something definite can be worked out.

(Continued on Page 7, Col. 4)

EQUIPMENT IS BEING INSTALLED at the new West 25th street junior high school in preparation for its opening in September. Custodian John Lotz is shown in one of the rooms, examining work tables and band saws. Most classroom equipment has been installed, and work to be completed before the school term includes final floor finishing and painting of desks.

West Pontoon Crossing To Get Flashing Lights

(Special from Springfield)

Automatic flashing signal lights for the Illinois Terminal road crossing on West Pontoon road just east of Route 47, were authorized this week by the Illinois Commerce Commission.

The \$10,500 initial cost of the lights will be shared by the state, county and the railroad, the state and county each paying 45% and the railroad 10%, the ICC ruled. Maintenance and operating costs, estimated at \$500 a year, will be paid by the railroad. Six freight trains at least go up to 25 miles an hour, crossing each day.

West Pontoon road is presently being repaved by the county, changing it from a two-lane unpaved road to a four-lane concrete surface.

Burned Boy Aided By Bus Driver

The quick reflexes of a Venice bus driver are credited with saving the three-year-old boy burned July 15 from more serious injuries.

Tom Scaturro, 805 Third street, a driver for the Community Coach Co. and captain of Venice volunteer fire department, put out the flames which had caught the clothing of Craig Reynolds, three son of Mr. and Mrs. Darrell Reynolds, 2324 Oak street, when he was playing with a flammable liquid in front of the boy's home.

Scaturro, a driver on the East Granite bus, said he had just turned onto Edwards street about 12:30 p.m. when he saw the fire catch the child's trousers. The boy was running, in circles, and screaming when Scaturro stopped the bus, ran over him, pulled off the burning clothes, and rolled him in the grass to stop further burning. A passerby on the bus, meanwhile, put out a fire the sidewalk.

After Scaturro had sent a child who was playing with the flammable liquid to his mother, he was taken to St. Elizabeth Hospital and later transferred to Children's Memorial Hospital, St. Louis, for treatment of severe burns to the waist and lower legs.

12 DAYS WITHOUT A QUAD-CITY TRAFFIC DEATH

A homicide and cream powder mover was taken from the power of Mrs. Harry Chronister, 2434 Ohio avenue, some time last night, she reported to police.

(Continued on Page 7, Col. 1)

Madison Contracts Awarded On School Blinds, Oil, Coal

The Madison school board awarded contracts for coal, fuel oil, piano and venetian blinds during a meeting Tuesday night in the office of Sup. Wene Brown.

Identical sealed bids of \$117.35 a ton for marked coal were received from the Madison Coal and Feed Co., Tri-City Coal Co. and Union Coal and Feed Co., with the board voting to distribute the contracts evenly between the three firms.

Three schools in the Madison system—Dunbar and Louis Bae grade schools and the Madison junior high school—are still heated by coal.

A fuel oil contract was awarded to the Sinclair Oil Co. on a low bid of 10 1/10 cents a gallon. Other sealed bids received were 10 3/10 cents from Cities Service and 11 4/10 cents from Federal Oil Corp. The Standard Oil Co. submitted a bid, but it was not considered to be firm by the board.

Thfts At Grill, Station, Store

When the operator of the Corner Grill sandwich shop at 2000 State street went into a back room about 4 a.m. Tuesday, someone entered the front of the shop and stole a green metal box containing a \$20 bill, five \$1 bills, three silver dollars, a check book, the title to a 1949 auto, insurance policies and tax bills, it was reported to police.

Five Tires Stolen
Someone gained entrance to the Standard service station at 2011 and Benton streets Monday night by scaling a wall at the rear of the building and entering through a window. Eight feet from the ground, it was reported to Granite City police Tuesday morning.

Manager, Otto Gossel, 3309 Washburn avenue.

Taken were two 7.50 x 15 tires and three 6.70 x 15 white sidewall tires. The burglary was discovered when Gossel reported to work Tuesday morning. A lock also had been pried off the station, but nothing was taken.

There were no visible signs of pry marks on the station window.

Newspaper Stand Stolen
Taken from in front of Cook's drug store, Fifth street and Madison avenue, sometimes between 11 p.m. Monday and Tuesday morning was a self-service newspaper stand, Madison police reported.

And Hammer Taken
A hand saw and hammer were taken from an auto belonging to Daniel Rushing, Rural Route One, Box 42, while it was parked at 2202 Illinois avenue between 8 and 11 a.m. Tuesday, it was reported to Granite City police.

Fishing Equipment Taken
James Perdue of the Perdue furniture Co., 909 Madison avenue, told Madison police Tuesday afternoon that three fishing poles, a fly rod and a reel had been stolen from the rear of his station wagon, possibly last week when the vehicle was parked in three locations: the lot adjoining the furniture store in front of 1001 Iowa street and in front of his residence, 2158 Grand avenue.

Power Mower Stolen
A lawnmower and cream powder mover was taken from the power of Mrs. Harry Chronister, 2434 Ohio avenue, some time last night, she reported to police.

(Continued on Page 7, Col. 1)

Two Hubcaps Taken

Two hubcaps were reported stolen by Ivan Foster, 3343 Palm avenue, who said they were taken from his 1960 auto between 8 and 10 p.m. Tuesday. The auto was parked in the 1900 block of Madison avenue, and the 14-inch caps have red circles painted in the center.

Undergo Surgery

The following are recovering from surgery which they underwent since Monday at St. Elizabeth Hospital: Fredricka Pines, 3120 Denver street; Artie M. Clark, 202 Nevada street; Wilbur H. Hinkle, 2110 Ohio, Mo.; Eva Bellinger, 2110 Ohio street; Gertrude Harman, 2224 Adams street; and H. H. Hanlon, 200 Hampton street, Cairo.

\$114,000 slash In Proposed GC City Tax Levy

New Blood Plan
To Be Explained
Here On July 29

A meeting has been arranged for 7:30 p.m. Friday, July 29, to explain a new blood plan program under which organizations of all kinds and individual families may obtain guaranteed blood availability by giving one pint each year.

Organizations can obtain such protection for their members and families if 25% of their members give blood in any year. It was explained by Val Cox, area director of the AFL-CIO Community Services, who announced plans for the meeting at the Labor Temple.

The meeting is to be attended by persons of all walks of life from the Quad-Cities, Edwardsville, Wood River, Alton, East St. Louis and Belleville. Cox said. The program does not compete with hospital or Red Cross services, but instead operates in conjunction with them, he added.

All labor groups in Madison and St. Clair counties have been asked to send representatives to the local gathering, and other organizations and the general public also will be welcomed.

Boy Injured In Fall From Tree

Topping from a tree in front of his home at 1100 St. Louis avenue last night, Bennie Scaturro, nine son of Mrs. Raffeta Scaturro, suffered pains in his right wrist and right thigh.

K-nayed at 8 o'clock at St. Elizabeth Hospital, the boy was transferred to the Children's hospital in St. Louis.

Autopsy Shows Skinner Died From Asphyxiation

Accidental asphyxiation caused the death of Charles Williams Skinner, 53, of 1929 Pontoon road, an inquest conducted Monday night by Deputy Coroner Skubish, a native of Granite City for all but two years of his life, was held at his home about 6 a.m. July 3.

The deputy coroner said Skinner apparently fell from his bed onto his face, knocking him unconscious. Suspended animation due to deficiency of oxygen and an excess of carbon dioxide in his bloodstream resulted, an autopsy showed. Skinner had been employed by Maryland Real Estate Co. as a salesman.

Warned On Spending

While awaiting the economic move represented by the tax levy, Alderman Rutledge later said that the township should not spend more than it takes in.

"At that rate, we'll run out of money about Christmas," Rutledge said. "I wish all the committee chairman and department heads would start watching the expenses and keep them down to what we need for the city."

(Continued on Page 7, Col. 8)

\$934,757 Levy, Drop Of Over 10%, Put On 1st Reading By Council

Slashing its tax levy by over 10% in placing it on first reading Monday night, the city council of Granite City trimmed the tax measure by over \$114,000 and again brought the total below the million mark.

The proposed 1960 levy of \$934,757 represents a decrease of \$114,014 from the 1959 levy of \$1,048,771, made possible by supplementing the city's regular finances with half-cent sales taxes. Previously, the sales tax receipts were used for special projects, such as construction of the new Granite City fire station.

The new levy is based on the 1960-61 budget of \$1,438,447, less \$250,000 cash on hand and including the sales tax funds. The remaining \$838,447 is to be derived from taxes on real estate and personal property.

A year ago the budget totaled \$1,643,819, including the fire station construction, and the new levy shows that a \$50,000 lighting levy, a \$33,000 levy for water and fire hydrants and a \$33,000 working cash levy have been eliminated. Other levy reductions are \$18,238 for the street department, \$12,249 for police pensions, \$5,000 for firemen's pensions, \$4,480 for the pumping station, \$4,000 for sewers, \$2,900 for civil defense, \$2,000 for garbage collecting, \$1,710 for contingencies and \$1,470 for the city hall.

The \$166,224 reductions offset increases totaling \$422,211. The raises are \$12,651 for the fire department, \$8,000 for police pensions, \$5,000 for firemen's pensions, \$4,480 for the pumping station, \$4,000 for sewers, \$2,900 for civil defense, \$2,000 for garbage collecting, \$1,710 for contingencies and \$1,470 for the city hall.

Aldermen Pleased
In presenting the ordinance for first reading, Alderman Charles Meyer called attention to the fact that the new levy, he said, was a "wonderful job" in preparing the levy.

The levy was advanced to first reading by the city council, and it will be reduced by eight cents, if assessed at \$1.00 per \$100 of value, the valuation remains about the same. He noted that this is the first time in several years that the levy has advanced to first reading this early in the summer.

The levy was adopted by a 12-0 vote of the council. Alderman Rufus L. McMaster tempestuously opposed it, and Alderman Estill V. Schmitt, Frank N. Skubish and Casner Skubish not being present at the meeting.

While awaiting the economic move represented by the tax levy, Alderman Rutledge later said that the township should not spend more than it takes in.

"At that rate, we'll run out of money about Christmas," Rutledge said. "I wish all the committee chairman and department heads would start watching the expenses and keep them down to what we need for the city."

830,331 General Levy

As voted Monday night, the 1960 city tax levy consists of a \$330,231 general levy and special levies amounting to \$575,100 for the \$834,757 total. The 1959 levy of \$1,048,771 included \$404,796 general and \$643,975 special levies.

A breakdown of the new levy by departments follows: administration, \$2,661; police, \$156,808; fire, \$28,000; fire department, \$182,351; firemen's pensions, \$5,000; fire hydrants, none; lighting, none; parking, none.

(Continued on Page 7, Col. 8)

Near \$2 Million Mark In GC Tax Collections

With \$306,599 paid by Granite City property owners during the past week, the township tax collector now totals \$1,907,501, Frank Sappington, collector, said today.

The amount collected thus far is approximately 36% of the \$5,250,991 total tax bill. The collector's office is open daily except Sundays at the city hall.

BIRTHS

Births recorded at St. Elizabeth Hospital:

GIRLS

Mr. and Mrs. Donald G. Cavins, 704 Joachim street, Festus, Mo.
Mr. and Mrs. Robert Thies, 8772 Namecki road.
Mr. and Mrs. Charles Moreau, 2108 East 24th street.
Mr. and Mrs. Clyde Walker, 2716 Denver street.

BOYS

Mr. and Mrs. Norman Keel, 1615 Ferguson avenue.
Mr. and Mrs. James A. Dover, Rural Route One.
Mr. and Mrs. David McGonigal, 4538 State street.
Mr. and Mrs. Howard Dine, 2534 Denver street.
Mr. and Mrs. Frank J. Orris, Jr., 2582 Boyles avenue.
Mr. and Mrs. Wilford F. Myers, 411 Margaret street.

CONSTRUCTION OF NEW HOMES is continuing at several locations in the Quad-Cities, including this residential area on Elizabeth street near Greenwood street in Madison. Brick homes are shown as exterior work neared completion.

5 Hours... Not 3 Months

Twenty years ago, it took an average of 3 months' wages to pay the hospital bills resulting from a case of pneumonia. Today, a case of pneumonia is usually cured at home — with drugs that cost an average of only 5 hours' wages.

That's one of the many facts that prove — today's prescription drugs are the biggest bargain in history!

Cab Fare Raise, Zones Sought By Local Firms

A petition by Granite City taxi owners for an increase in rates will be decided upon at a future meeting of the city council. The letter, presented at the city council meeting Monday night, was referred to the utilities committee, headed by Mrs. Gabrielle Betine, for consideration.

The letter from Clifford Stephens, owner of the Yellow, Modern, Quad-City and Black and White cab firms, suggests raising the maximum fare within city limits to \$1.50, with no change in the minimum 50-cent fare. A plan for zoning the area would regulate the fares.

Reasons for the suggested increase, the letter said, are increased overhead, the increase of the city limits and, especially, the inability of drivers to make reasonable wages.

Stephens and Pat Meyers of the Checker cab firm are the owners urging the rate increase. The request cited increases in the cost of gasoline, tires, parts, labor and insurance since the last increase was authorized by the city council.

The last increase came in 1948, Stephens said. Since then, overhead has more than tripled on many items, he added. As an example, he cited the cost of insuring a cab for a month; it was \$11 in 1948, but is \$61 now.

About the low income of the drivers, who are paid on commissions, he said, "Some of them work 12 hours for \$3 or \$6. It has become a very big problem to keep cab drivers."

The fare schedule would vary according to the zone traveled. Within Zone One, fares would be 50 cents; Zone Two, 75 cents; Zone Three, \$1; and Zone Four, \$1.25. The highest fare within city limits, that of a cross-town ride from extreme corners, would be \$1.50.

The tentative zone Stephens suggests are: One, from the cab stand east to anywhere in Lincoln Place, west to West Granite or north to N. McKel road at the Rose Bowl, including the Wilson Park area and Oregon avenue; Zone Two would go from the stand north past the Belleme shopping center to the drainage ditch, including the Rehling road area and the American National Bank; Madison forms the southern boundary.

The third zone would include most cross-town trips, such as from Lincoln Place to Belleme Village. Zone Four would include further cross-town trips, such as from Madison to Maryland Place.

IN NO HURRY. Mother Nature works slowly. It takes her from 500 to 1000 years to make an new layer of topsoil. And man can undo centuries of work in one year by mistreatment of the land.

Pay Adjustments Approved For 5 City Hall Employees

Controversial pay raises for five city hall employees finally have been approved by Granite City aldermen. The vote of 9-1 Monday night followed appeals by Mayor Davis for approval of the \$50-a-month raises.

Davis maintained that the pay changes actually are adjustments and do not constitute preferential treatment for the five. He said \$25 pay raises for other employees this year and \$25 raises last year when the five were omitted.

The ordinance adopted this week increases the monthly pay of the assistant controller from \$362 to \$412, the mayor's secretary from \$334 to \$384, the switchboard operator from \$311 to \$361, the deputy city clerk from \$250 to \$300 and the clerk of the magistrate's court from \$250 to \$300.

The measure also gives 20-cent-an-hour raises, \$1.50 to \$1.80, to two tax receipt clerks, a tax collector's clerk and a sewer record clerk. The \$70 boosts are retroactive to May 1 and the 30-cent increases are effective June 1.

Aldermen voting for the raises were Rufus LeMaster, Charles Stephens, Steve Sauerbach, Mrs. Gabrielle Betine, Emerald Dawes,

Robert Gaughan, Sam Shkeloff and Frank Vesci. Mayor Davis added his favorable vote. The five opposed were Aldermen Mitchell, John, Donald Partney, Paul Rutledge, Sam Whitner and Arthur Wierer.

Inclusion of the city human officer in the ordinance also was discussed, but he was left out when it was reported by Mayor Davis that he is joining a union which will then represent him in seeking an increase. Vesci spoke on behalf of the increases for the five monthly office workers and Alderman Nomm spoke against the proposals, commenting that one of the ladies makes more than he does despite the fact that he is employed at a multi-million dollar oil refinery here.

Nomm recalled reports that some of the city hall employees work only 35 hours a week, and he estimated the figure at 32 hours. "Coffee breaks" deducted.

"Not one of these girls is doing this for her livelihood," Nomm said, adding that some of the women are earning more than engineers working on behalf of the city. This prompted a reply by Whitmer that City Engineer David Johnston, their employer, should pay the engineers more.

Rites Held For State Police Commander

Capt. Walter C. Sauerbach, 55, commander of the local district of the Illinois state police, who died of cancer at his home in New Athens Sunday night, was buried yesterday after funeral services at St. Agatha's Catholic church there.

A lifelong resident of New Athens, he had been an officer of the state police since 1935, with 19 years spent in the French Village district. He was promoted to the rank of captain shortly before he became ill in March.

He is survived by his wife, Ella; two daughters, Mrs. Jessie Pitchford Jr. and Mrs. William David Johnston, his employee; a sister, Mrs. Dora Vonderheid; and nine grandchildren.

Cuts Head On Sidewalk

Sidney Ray, 69, of 1825 Col. Lincoln avenue, Madison, lost his footing and cracked his head against the sidewalk in front of 1665 Second street at 10:05 yesterday. Suffering lacerations of the scalp, he was taken to St. Elizabeth Hospital, where three sutures were required to close the wound.

Highest mountain in Africa is Kilimanjaro in northern Tanganyika. It has an altitude of 19,710 feet.

NA-BOR-1000 CUT RATE LIQUORS LOCATED ON NAMEOKI RD. BY KOZYAK'S.

GOVERNOR WILLIAM G. STRATTON, August 18, will dedicate Illinois Beach State Park lodge, largest in the park system and the first to be built in more than 20 years. The 100-room three-story structure of concrete and glass is located on the north section of the 1,651-acre park, extending three and one-half miles along Lake Michigan between Waukegan and Zion. The park, opened in 1948, provides many recreational facilities and one of the world's most unique nature areas. 8,000 swimmers can be accommodated at one time on 3,000 feet of beach which is open to the public.

SOCIETY Woman Struck By Car; Driver Is Arrested

Miss Kathryn Arnold, 63, of 2912 Madison avenue was treated at the St. Elizabeth Hospital emergency room Monday for injuries sustained when she was struck by an auto. The driver, Maurice M. Hinkle, 50, of 2036 Cleveland blvd., driver of the auto, was arrested on a no-fault driver's license charge, and was released after posting \$16 cash bail.

The accident occurred at 20th street and Niedringhaus avenue. Miss Arnold sustained injuries to her right knee and leg, plus contusions and abrasions. X-rays taken and she was released.

Miss Bywater Is Honored At Bridal Shower

An August bride-to-be, Miss Judy Bywater was honored at a bridal shower given by her friends at the home of Mrs. George W. Hofschneider in her home, 53 Rivera drive.

The honoree's favorite color, green, was used extensively throughout the decor of the gift table, refreshment buffet and guest favors, accented with light touches of pale pink.

Miss Bywater, whose parents, Mr. and Mrs. Richard Bywater, reside at 5136 Lakeview drive, will be married Aug. 6 to Ronald Lee Beebe, son of Mr. and Mrs. Emmett Lee Beebe, 2550 Spalding avenue. The ceremony will be performed at the First Presbyterian Church.

Many gifts were received by the honored guest. After packages were opened, games were enjoyed and a dessert course served by the hostess concluded the party.

Among the guests were the bride-to-be's mother, Mrs. Betty Bywater, Mrs. Ethel Beebe, mother of the prospective groom, and his grandmother, Mrs. Susie Nelson.

Others present were Mrs. Mary Ann Walker, Mrs. Frances Wade, Mrs. Catherine Anderson, Mrs. Agnes Meng, Mrs. Violet Jeffers, Mrs. Miller, Mrs. E. J. Dorethy, Mrs. Michel, Mrs. Sadie Hord, Mrs. Dorothy Anderson, Mrs. Louise Cox and Mrs. Dorothy Smetti.

PHARMACISTS GROUP MEETS IN BELLEVILLE

The Madison-St. Clair counties Professional Pharmacists Association held a monthly meeting in Belleville Tuesday night. Principal items discussed included public relation projects, such as the distribution of poison control material; ethical practices and a proposed meeting with county legislators.

Members also reviewed plans for a picnic lunch, with the afternoon spent socially while the youngsters visited the swimming pool.

Those present were Mrs. Aline Graham and daughter, Rebecca, Mrs. Sandra Ferguson and daughters Robin and Vicki, Mrs. Shirley Adams and children, Cathy and Jeff, Mrs. Detroit, Mich., Mrs. Edna Niepert and daughter, Jackie, of Roxana and Mrs. Ruth Auer and son, Tony, of East St. Louis.

John Marshall, appointed Chief Justice of the U. S. Supreme Court in 1801, also wrote a five-volume biography of George Washington.

Mitchell Kiwanis To Seek Gas, Water Service

In an all-out effort to bring natural gas facilities to the Mitchell area, the 16-member Mitchell Kiwanis club will attempt to obtain the support of other residents by petition during the next two weeks. Robert Franko, president, announced after the weekly meeting Monday in Smith's Cafe.

Guest speaker was Harry Chamblin, a representative of the Illinois Power Co., who explained to the group effective ways of conducting the survey. Later, the club discussed the possibility of getting a central water system in the community. At present, water in the area is supplied from wells. Franko urged members to seek the cooperation of residents in writing to Cong. Melvin Price for a study of the water issue.

Lee Barker was awarded the "red circle of distinction" by already missed the boat.

Franko for bringing a new member into the club. The initiate, Harold Smith, an employee of the McDonnell Aircraft Corp. in St. Louis, was inducted by Past President Lee Paul.

A. O. Smith Buys Share In Electronics Firm
The A. O. Smith Corp. announced today that it has acquired a 50% interest in the Biscuit-Berman Corp. of Los Angeles, Calif.

It is a move which will place A. O. Smith further into the field of the development and manufacture of advanced electronic equipment for both military and commercial applications.

The man who does nothing but wait for his ship to come in has already missed the boat.

Thurs., July 21, 1960 Page 3

New Fireman Selected, Taking Examination

A candidate to fill a regular fireman vacancy with the Granite City fire department was selected Tuesday night. Fire and Police Commission Board Secretary Rollo Winters said today. However, the man's name will not be announced until after the results of a medical examination and physical fitness test have been studied by the commissioners. Results should be available by Monday.

If the candidate passes the test, he will assume the duties of a fireman in August. Otherwise, an alternate candidate, also selected at the Tuesday meeting, will be considered.

Winters said the commissioners expect to meet sometime next week to make their final selection from among seven candidates for the single patrolman position existing on the Granite City police force.

Friedman's Featured In Home Furnishings Daily

Successful combining of the hardware and furniture business at Friedman's, Fifth street and Madison avenue, has been featured in the Home Furnishings Daily, national store publication. It was announced here today. The article this summer also called attention to the local firm's remodeling and included a photograph of the new store front.

Noting that Friedman's has shown steady growth for the past 38 years, the article said the store "faces a future here with an optimistic attitude."

"It has constructed a new store front to attract more traffic, and maintained traffic with realistic pricing and the valuable asset of a complete hardware department."

"The two major problems of the store are a high speed highway which carries traffic past the store and the heavy competition provided by the home furnishing stores of nearby St. Louis."

"Friedman offsets much of its problems through a program of full-page advertising in home furnishings in the two-week newspaper, the Home Furnishings Daily, adjacent to Madison. Of some aid to traffic is the store's own parking facility, but the fact there are no parking meter rules on Madison streets."

"The hardware department is the pulling power of the store, doing 25 per cent of the daily business. Its appeal in attracting traffic is invaluable. Where the average home furnishing store depends on traffic specifically interested in furniture, Friedman's traffic is interested in hardware items."

"However, the consumer needing furniture will always look over the appliances and other departments while in the store. Many a customer comes in for a pound of nails and goes out with a new appliance or suite of furniture."

"Friedman's was started as a father, son operation. The father's tavern was closed by Prohibition and he and his son, an attorney, opened a paint store. Later, under the management of the son and grandson, it developed into a furniture combination. The present owners are E. A. Friedman, who gave up a law practice to become a retailer, and his son, Jack."

"The building, about 75 by 100 feet, was formerly a 17-room structure. Recently, a \$25,000 floor lifting job was completed on the store front. The change involved covering the upper floor with beige color metal panels installing full-size glass windows, and a trim and entrance in small multi-colored tile. A 5-foot marquee was added over the sidewalk. The new front was designed by Jack Friedman's brother-in-law, Don Steingisser, Huntington, N. Y."

"The basement selling area is divided into three departments: One for dinettes, metal cabinets and closets, another for juvenile furniture, and the other for plumbing supplies."

"The second floor consists of bedroom and living room furniture of low to higher medium price selections. The best selling line is Brooklyn's Invitation. A soft carpeting sample room occupies the rear of this department."

Banjoist Joe Schirmer Will Play At Operetta In Park

Joe Schirmer, "the wizard of the banjo," heads the list of personalities who will present an operetta entitled "The Life of Stephen Foster" next Monday and Tuesday nights at 8 o'clock in Wilson Park.

Schirmer is a popular supper club and television performer with both the guitar and banjo and will play several numbers written during the period portrayed in the Granite City park district's final "Music Under the Stars" program of the summer.

The operetta itself is concerned with a period early in the life of the American folksong writer, and is set at the time Foster decided to abandon his vocation as a bookkeeper and devote full time to songwriting.

Warren Simpkins is musical director for the two performances, and Mrs. Susan Kiehlman is dramatic director. The programs are sponsored by the park district's recreation department, of which, Harold Brown is director. The piano accompanist is Miss Phyllis Stout.

Keith Curtis will sing the role of Foster, Joyce West will appear as his wife, Ellen MacAdams as his sweetheart, Jeanie Julia Tempel as a family friend, Suzanne, and Naomi Thomas as the housemaid, Miranda.

The townspeople will be portrayed by a chorus of 25 mixed voices. Most of the Stephen Foster favorites have been included in the program, which also includes a dance routine by Al Stevens III.

\$350,000 Balance In 7 City Sewer Funds

Granite City's seven sewer funds had a balance totaling \$350,135 as of June 30, a report submitted by City Comptroller John Doher showed at Monday night's city council meeting.

The balance consisted of \$161,720 in the Nameoki area sewerage fund, \$62,969 in the area No. 2 sewerage fund, \$53,297 in the Nameoki area reserve fund, \$34,413 in the sewer extension fund, \$15,904 in the Nameoki area construction fund and \$10,703 in the area No. 2 construction fund.

In other business considered Monday night, the council approved plans for a Grand City Navy Mothers Club No. 850 to hold "tag days" Sept. 23 and 24. The request was submitted by Adjutant Mary Korcosog and Commander Norma Darnell. The club aids men in the service and in hospitals, and their families.

Complaints on a shrill noise level created by the city's new incinerator at the Union Street and Refining Co. were reported by Alderman Walter Nomm. He praised the industry for eliminating flyash in previous years but said the noise is creating another serious problem. "That and mosquitoes are the main things I am hearing about," he told the council.

GC City Spending \$268,678 During First Two Months

City spending in the general fund outpaced income during the first two months of the 1960-61 fiscal year, May 1 through June 30, but in other funds the situation was reversed, a report compiled by City Comptroller John Doher and City Treasurer Frank Sappington showed at Monday's city council meeting.

For both funds, the totals were \$228,429 receipts and \$268,678 disbursements. Under the general fund, receipts of \$815 for the fire department were outweighed by disbursements of \$37,422. Police spending totaled \$37,069, whereas income was \$6372. Sanitation disbursements amounted to \$29,891, opposed to receipts of \$4137. Total general fund receipts amounted to \$67,367, against disbursements of \$186,535 over the two-month period.

Other expenses included in the general fund were water, no receipts and \$235 spent; streets and alleys, \$42,488 and \$42,282; light, none and \$1745; pumping station, \$38 and \$4465; general government, \$2386 and \$13,514; city hall, \$1294 and \$2664; in inspection, \$260 and \$2310; election, \$138 and \$2603; interest and judgment, \$426 and \$100; dog catcher, \$335 and \$1091; contingent, \$315 and \$1199; and excess commissions, none and \$646.

A breakdown of other funds showed more "receipts" than "disbursements." Arterial street maintenance receipts of \$63,444 dwarfed disbursements of \$5370; sales tax revenue of \$32,534 against \$1624 expenses; section 48 (motor fuel tax) \$39,777 and \$1850; and section 49, \$20,927 and \$1250.

Other funds included were municipal retirement fund, no receipts and \$577 expenditures; parking cash, none and none; parking meter, \$7766 and \$6151; police pension, \$3316 and \$3903; public library, \$15 and \$7983; firemen's pension, \$1963 and \$4101; unclaimed rebate, none and none; civil defense \$233 and \$1508.

Maintenance of sewers, none and \$1843; extension of sidewalk paving, \$24 and none; section 39, none and \$22,412; section 44, none and none; section 46, none and \$17,780; section 47, none and \$289; Monroe street paving, none and none; Edwardsville road, none and none; and storm sewer construction on Franklin avenue, none and \$384.

Total of funds in the First Granite City National Bank as of June 30 was \$465,368, with \$18,222 in the Granite City Trust and Savings Bank and \$50 in the petty cash fund.

Conference Called On GC Pollution Progress

Notified by the Illinois Sanitary Water Board to attend a pre-hearing conference at 10:30 a.m. July 28 in Springfield, Granite City officials this week forwarded a report on local progress toward eliminating river pollution. Mayor Leonard Davis said today that he has not yet learned whether the hearing will proceed, but that cancellation has been asked in view of the progress being made.

During a discussion at Monday night's city council meeting, it was noted that the state board apparently has not received a May 31 letter from the Citizens Sewer and Drainage Committee, since the state reported no reply to its April 29 letter.

However, the state also seeks a specific timetable of dates by which various anti-pollution steps are to be completed. An exact timetable has not yet been announced by the city and citizens committee.

In addition to the study being made on behalf of the city council, local industries are cooperating with the committee and also making an independent study to determine what steps they can take to reduce their use of local sewers.

During Monday's meeting, the council discussed ways of maintaining its zoning rule requiring five feet between boundary lines and new buildings, while avoiding penalizing owners of older neighborhoods wishing to tear down and replace garages. In some cases, garages cannot be reached if the five-foot rule is observed, the discussion showed.

McCormick To Head Employees' Local 799

Robert McCormick, deputy county treasurer, was elected president of the American Federation of State, County, and Municipal Employees Local 799 Monday at the Edwardsville courthouse. He succeeds Eugene Berghoff, acting circuit clerk who was elected vice-president.

Other incoming officers are Charlotte Meyers, Alton, secretary; Evelyn Bowles, Edwardsville, treasurer; Dorothy McMahon and Kenneth Hinson, of Madison, trustees; and George Rhoads, Bethalto, sergeant-at-arms.

Calendar of Events

THINGS OF INTEREST to each member of the family are included among public events highlighted in the Calendar of Events published by the Illinois Departmental Information Service. During August community events include, (1) Sweet Corn Festival, Aug. 8-9 at Mendota; (2) 23rd annual Gladiolus Festival, Aug. 11-13 at Momence; (3) College All-Star Football, Aug. 12, Soldier Field, Chicago; (4) 2nd annual Buffalo Barbecue, Aug. 20 at Sullivan; (5) 15th annual presentation of the play, "Abe Lincoln in Illinois", Kelo Hollow, New Salem State Park, Aug. 25-26 and Sept. 2-4; (6) Motorcycle races, Aug. 28 at Peoria; at Springfield, Aug. 21 the National Championship motorcycle races during the fabulous Illinois State Fair, which runs Aug. 12 through Aug. 21 and (7) feature harness racing Aug. 13 and 15-19; and the Hamiltonian Stake, Aug. 31 at DuQuoin.

—I. D. I. S.

25 YEARS AGO

The following items were taken from the files of the Granite City Press-Record.

Assessed valuation of real and personal property in Granite City township will be \$195,703 higher than a year ago, according to the figures compiled by Assessor O. E. Odum. The new valuation, exclusive of railroad and capital stock, is \$11,005,398, as compared to \$10,811,590 last year.

Of the total assessment, \$3,258,243 is on personal property in the township and \$7,747,155 is on real estate. Both items are greater than a year ago, an increase of \$85,688 being shown on personal property and \$140,085 on realty.

The first of a series of motion pictures depicting the various phases of home and commercial modernization, as well as home construction, will soon be shown here in Granite City at the Washington Theatre next Sunday, Monday and Tuesday. These pictures carry the general title "Better Housing News Flashes" and are released under the auspices of the Federal Housing Administration, Washington.

Receipts at Wilson Park Swimming pool for the first 12 days are nearly twice those of last year, it was learned today from Ralph Frohardt, park supervisor.

In 1954 the revenue was \$204.25 compared to \$714.40 for the same period this year. Attendance in 12 days last year was 1471. It reached 4914 this season.

Fred Nickels, formerly of this city, passed through here Tuesday morning enroute from New York City to the Pacific coast where he will compete in midwest automobile and motorboat races. He was driving a truck on which two outboard motorboats and a midwest automobile were loaded. The tiny auto, he said, is powered with a special-built Miller racing motor capable of developing 97 horsepower and a speed of more than 100 miles an hour.

Judge and Mrs. M. E. Sullivan have been having more than their share of trouble, disabilities and bad luck. While they were at a card party at the Delaney home, a fire broke out in their home. A fire has been stated. Later, they learned that due to an oversight the insurance on their household goods had lapsed. That was a misfortune of considerable importance.

Arrested on Main street and charged by Venice police with curfew violation and resisting arrest, Bobbie Richard Hudson, 18, of 2816 Myrtle avenue was fined \$20 and court costs Monday night by Venice Police Magistrate Wesley Edwards.

We'll have lots of character assassination this year — politicians start shooting from the lip.

Arrested on Main street and charged by Venice police with curfew violation and resisting arrest, Bobbie Richard Hudson, 18, of 2816 Myrtle avenue was fined \$20 and court costs Monday night by Venice Police Magistrate Wesley Edwards.

OFFENSE CITY MANAGER PROPOSAL

It looks as if all the required signatures for city management government are filled but more is being obtained. This new government doesn't sound like it's going to help taxes, as it will be costly to set up an election to try and get it.

If it's not passed the money is wasted where it could be used for something useful, instead of something we don't need.

It would have been different if we had no government, but we have one. Where will this money come from? Will it be from the taxpayers?

Taxpayers don't like to be misled by some one who wants to change our government and tells you the good parts. There are a lot of bad parts. Surely 5 or 6 men can't run our town. We have capable deputy heads. If not, they can be changed in our next election.

Let's keep our present government, with more men to represent us. The more representation we have, the better our city can be. There's no one man can run our whole city with a handful of councilmen. Our government was good enough for our older generation, and its good enough for us.

Scouts, Cubs To Hold Jubilee Camporees

Boy scouts and Cubs remaining at home will join in the excitement of celebrating the 50th anniversary of Scouting with those attending the national jamboree in Colorado Scouts this weekend.

About 350 scouts and leaders, mostly from the Unish district, will travel to Camp Sunnen, Post 1500, at her home yesterday afternoon. Games were played and prizes went to Mrs. Robert Able and Mrs. K. Warfield. Lunch and refreshments were served to Mesdames W. F. Coolidge, Rex Anderson, Adolph Finck, Charles Kramer, Harry Clary, Robert Able, Richard Todd, Joe Starnell, Ed Hunnert, Mrs. William Redmond, F. Daniels, Pat Doyle, Dallas P. Dame, K. Warfield, F. Griffin, Joe Durham and the boisterous.

Fined On Two Charges

Arrested on Main street and charged by Venice police with curfew violation and resisting arrest, Bobbie Richard Hudson, 18, of 2816 Myrtle avenue was fined \$20 and court costs Monday night by Venice Police Magistrate Wesley Edwards.

World's Largest "Apartment House"

Described as the "largest apartment house in the world," Bonaventure Island off the coast of the bay fever-free Gaspé Peninsula in Quebec Province, is the world's largest sanctuary for game—a rare and almost extinct species of sea fowl, which nest by the thousands on Bonaventure Island each summer.

SIBA, Unions Meet In Contract Talks

The Southern Illinois Builders Association, meeting with the Carpenters' District Council of Madison Tuesday, announced that new contract agreements with the union have not been completed.

Negotiations are continuing. The present contract will expire at the end of July, and no date has been set for resumption of contract negotiations with the district council.

A meeting between the SIBA and Ironworkers Local 392 is underway today.

Check Fraud Charged

Stephen Foster Barnes, 22, of 2210 State street, was arrested at home at 7:16 a.m. today on a charge of making a check to defraud. He was still being held by Granite City police this morning.

The first American-made eight piano was built by John Isaac Hawkins in Philadelphia in 1801.

City Manager Group Steps Up Campaign

Advocates of a city-manager type government in Granite City will hold a special closed-session meeting tonight at 7:30, James P. Worthen said today. It follows closely a similar gathering last Monday night, raising funds and distributing explanatory literature.

Election of officers will be held at the end of a membership drive, Worthen said. The group's goal is 50 members. Membership applications will be received by phone during tonight's meeting, and a chairman will be appointed to plan an agenda for a public meeting in the near future.

Minor Collision Monday

A minor auto accident occurred Monday at Market and State street when a car driven by Ike Smith, Brooklyn, collided with one driven by Steve Petlansky of St. Louis. Venice police reported. No significant damage resulted.

goal is 50 members. Membership applications will be received by phone during tonight's meeting, and a chairman will be appointed to plan an agenda for a public meeting in the near future.

(Continued from Page 1)

due, \$60,000; Alexander street, East 23rd street to Edwardsville road, \$40,000; Myrtle avenue, St. Clair avenue to Leonard avenue, \$20,000; and Marshall avenue, Faith avenue to Victory drive, \$20,000.

Robert Gaughan urged left turn arrows for the 20th street-Madison avenue intersection, citing collisions and hazards there. Whitmer suggested that such signals be delayed until 20th street is widened.

Discuss Cave-In

Emerald Daves next called attention to the street cave-in on St. Clair avenue, urging that sewer lines not be installed down the center of streets. He also advocated mandatory use of reinforced pipe.

Called on for comment, Engineer Edward Juneau of the Sheppard, Morgan and Schuab firm said reinforced pipe is not needed in some cases, and that the sewer broke caused by the cave-in resulted from storm water entering the sanitary sewer lines.

Alderman Charles Meyer noted a similar problem on Fehling road, where storm water causes sanitary sewers to overflow. He urged inspection of all sanitary sewers as a means of preventing storm water from entering the sanitary system, pointing out that sewer repairs are costly. Daves suggested that manholes be welded to prevent their removal when there is standing storm water.

The council approved a no-parking area on 21st street between Omaha and the Omaha Park alley, a fire hydrant at 2344 O'Hara avenue, and street lights at 26th and 27th streets on Denver street.

It was decided to have an ordinance prepared halting J.O.Y. avenue traffic at Wayne and Myrtle avenue traffic at Leonard avenue.

Alderman Meyer urged black-topping an excavated area at 25th street and Madison avenue.

Tavern Law Debated

Placed on first reading two weeks ago, the tavern limiting proposal received eight favorable votes including that of Mayor Davis Monday night, but City Attorney William Beatty ruled that nine votes were required for passage. There were six dissenting votes.

The limits of 51 regular taverns, nine clubs and four package liquor stores are the same as the existing number of licenses. The move to set a new limit developed after the city's 1000-foot law was overruled in a court action filed by a tavern operator seeking a permit for a package store near a present tavern on Nemadji road.

Mayor Davis based his appeal for passage of the limiting ordinance on the fear that the city will have no way of controlling the establishment of additional taverns.

He speculated that 50 or more may be started in Granite City, and told the council he would have no choice but to issue the licenses if the applicants were qualified.

Mayor Davis told the council, "Let's get a legal opinion and do this right. Don't get excited."

Motorists Advised To Renew Driver Licenses In Advance

Secretary of State Charles F. Carpenter today reminded drivers that applications for renewal of their driver licenses should be submitted to his office 30 days prior to the expiration date of the current license.

As a part of the state's traffic safety program, every application is checked against the driver's control file to determine whether the applicant has any traffic law violation convictions on his record, any accidents or unsatisfactory judgments, and whether his license has ever been revoked or suspended, Carpenter said.

Because of the large volume of applications and because of the size of the driver control file, the 30-day period is required to make a thorough verification of the information submitted on the application, he said.

When the application is sent 30 days in advance of expiration, the current license need not be surrendered, Secretary Carpenter said. If for some reason, a person submits a renewal application earlier—60 days or 90 days—then the current license should be surrendered so there will not be an overlapping period in which he would have two licenses.

Added Compensation For Some Disabled Veterans

Veterans with service-connected disabilities who have more than three children are now eligible for additional compensation.

Robert M. Fitzgerald, acting manager of the Veterans Administration regional office in Chicago, said today that a new law has been signed by the president and is now in effect. The prior law did not authorize payment for more than three children.

The additional compensation will range from \$12 monthly for each child after the first three if the veteran is totally disabled; it will range downward to \$6 where the veteran's disability is evaluated at 50%. Between the two extremes, proportionate amounts will be paid.

Veterans with less than 50% disability receive no additional compensation for a wife, parents or children, Fitzgerald said. The term children includes all sons and daughters, real or legally adopted, under age 18 and unmarried.

Nonn said failure to set a limit would "open the barn door in Granite City" and Davis said some method of controlling the number of liquor licenses is needed.

Speaks For Applicant

Attorney John Dufner unsuccessfully attempted to obtain details of the procedure if a bar is adopted, saying he has a client with an application on file.

Mayor Davis said he does not intend to issue the license, recalling past law violations at the building and agreed to put his objections in writing.

The limit was supported by Davis, Nonn, Steve Basarich, Mrs. Bettner, Gaughan and Frank Vesce, and was opposed by Meyer, Donald Parney, Paul Rutledge, Daves, Arthur Wizer and Sam Shackelford.

MOST PLASTERING WORK at the new St. Elizabeth Hospital addition has been completed. Workmen here are shown installing wire mesh to the interior walls of the addition. The new building is located on the corner of Madison and Niedeberg avenues. Plaster will be applied over the mesh.

City Finance Laws Given In State Publication

State Auditor Elbert S. Smith announced today his office has begun distribution of the publication, "Illinois Laws Relating to Municipal Finance," which has been prepared as an aid to Illinois cities and villages.

Smith said a nine-member Municipal Audit Board reviewed the material and assisted in its preparation. Board members include C. J. Schlosser, who has accounting offices in Alton and Granite City.

The publication is the second edition of the laws first published in 1957 and is revised biennially to include statutory revisions and new enactments of each session of the General Assembly.

Smith said the book contains all pertinent laws, including the recent enactment of the Illinois highway code. The book was prepared for the convenience of municipal finance officers, accountants, city attorneys and others who work with various phases of municipal finances.

All cities and villages now submit audit and financial reports to the state. With the exception of minerals and metals, Florida could almost be self-sufficient. It's farms, ranches and fishing resources supply almost all other needs. And its tourist attractions supply money for everything else.

Some freighters plying only among the Hawaiian Islands can carry 12 passengers each.

MORE ABOUT

Drainage Building

(Continued from Page 1)

bids opened at the last meeting. The proposed building is to be located on township-owned property along the south side of State Route 162, several hundred feet east of the intersection with State Route 111.

It will contain a general assistance office, a supervisor's office and an office for the town clerk, plus space to store road and bridge equipment currently housed in a 5240-foot barn on property in the 3400 block of Johnson road.

The board hopes to turn over to the contractor as partial payment this property—a 125x150-foot tract of land. The board set a figure of \$4550 as value for the property.

"Piggyback" Problems

Regarding the Nickel Plate Railroad's use of Hildebrandt avenue in "piggyback" truck operations, Attorney Vassileff said he has conferred with railroad personnel but nothing specific has been worked out. Trucks are driven along the street connected with the railroad yards.

Residents of the Cloverleaf Addition had been complaining of dust and noise, and said the railroad-truck plan is also destructive to the roadway because of the weight of equipment being transported, Vassileff said that with "piggyback" operations on the increase, a permanent solution was needed.

"We suggested they construct a roadway of their own," Vassileff said, "but they found a thousand reasons why this was impractical. They wanted instead an agreement to keep our roads repaired."

Also considered was purchase by the railroad of land along the Nickel Plate right-of-way, letting either the township or the railroad construct a new parallel roadway, Vassileff said. However, nothing definite was worked out, he said, and the railroad requested time to study the problem more fully. Another conference is anticipated Sept. 1, at which time Vassileff said the railroad probably will give its plans.

"We don't want to hurt the railroad if we can avoid it," Vassileff said, "but it's also not in the township's mind to have the road put to such heavy use."

New Dog Catcher
In other action, a motion was passed to appoint Charles McCutley as the new dog catcher in place of John Childers, who recently resigned the post.

The town board approved bills totaling \$721, the largest item of which was \$500 for a used road pulverizer obtained from Bardale Equipment Co. The pulverizer is used to further condition roadways after the initial chopping process, and gives roads a better finish, Supervisor Briggs said.

The next regular meeting of the board was set for 7:30 p.m. Monday, Aug. 29. The regular meeting day of Tuesday was discontinued because of inconvenience to some board members.

BILLION A YEAR
If India can get one billion dollars' worth of outside aid each year during the '60s, she can foot the bill for the rest of the effort to put her economy on a self-sustaining basis. Total required: some \$5 billion, so estimates an Indian spokesman.

Message To Children: Beware of Bug Sprayers

"When it hits them, they're dead," Assistant City Inspector Otis Lockley said this week.

He referred to the billions of deceased mosquitos and flies knocked out by Granite City's two insect-spraying vehicles since May, when the fifth annual battle between chemistry and insectry got underway.

The two fogger machines have made a complete tour of Granite City once each week. Each night, they distribute two 55-gallon drums of the bug poison so that, by the end of each week, every city street has been visited.

Each fogger works eight hours a night, and they are to continue to operate throughout the summer. Effective life of the potent mixture is short, Lockley said, and depends largely on the weather. Rain will dilute it and wind will dissipate it.

The spray, which resembles exhaust vapors, is dry when it enters the air and completely harmless to the finishes of automobiles and houses.

However, the inspector warns, although the mist is made to kill only insects, it contains chemicals that may harm human tissues. Too, Parents should caution their children not to ride bicycles through the mist or play in it, since too much exposure could make them sick.

So children, and parents too, stay away from the bug spray fogger. When you see them coming, give them plenty of leeway.

Admitted To Hospital
In the space of 15 minutes this morning two employees of the Union Starch and Refining Co. were admitted to St. Elizabeth Hospital.

Falling from a height of 12 feet at the plant, James McCollum, 28, of 27 Circle drive, Cottage Hills, was admitted to the hospital at 10:45 a. m., suffering contusions and abrasions to the head, knees and toes. He also complained of pains in his head and back.

At 1 a. m. Reuben Bean, 38, of 2448 Edison avenue was admitted to the hospital, suffering first degree burns of the chest and abdomen, which had been inflamed by live steam.

By Press-Record Staff Photographers

HOSPITAL ROOM FLOORS at the 100-bed addition to St. Elizabeth Hospital are being finished with a special compound and electric grinder, shown being operated here on the third floor of the annex. Interior of the new building is rapidly being completed.

SOCIETY

Junior Service To Hold Home Tour Saturday

The Granite City Junior Service club will sponsor a home tour and tea Saturday afternoon between 12:30 p.m. and 3:30 p.m. with a number of contrasting homes in the area listed in the tour's itinerary.

Homes to be visited include those of Dr. and Mrs. Edward Drage, 1350 Twenty-seventh street, whose two-story home is furnished in the French Provincial motif; Mr. and Mrs. Bernard Teeter, 12 Terrace lane, whose modern home features a sunken living room and a path-seller; the contemporary furnished home of Mr. and Mrs. Charles Peake, 2145 Pontoon road, whose rose garden and patio may be viewed by those taking the tour; and Dr. and Mrs. J. C. Evers, whose contemporary home at 2105 Garfield avenue has a large family room.

Tea will be served in the garden of Mr. and Mrs. C. W. Hoelscher, 2235 Pontoon road, whose two-story home is furnished in the traditional manner. Tickets are being handled by club members. Graham's book store and Mrs. Evelyn Morris or Mrs. Mary Schaffner for telephone reservations. Proceeds will be used to further the club's charity program.

County Salon Plans Joint Installation

Madison County Salon 53 of the Eight and Forty held a picnic pot luck dinner Tuesday evening on the lawn of the American Legion Home in Alton, prior to a business meeting which was conducted by the chapeau, Mrs. Jessie Sprinkage, chairman for the dinner was Mrs. Fannie Ulrich. It was announced that the joint installation of new officers for the Forty and Eight will be held Aug. 26, at the Legion Home in Granite City.

An initiation ceremony for a new member, Mrs. Violet Neubauer, was held. Delegates elected for the department convention to be held in Chicago in August were Miss Dorothy Hinson and Mrs. Hazel Hinson, both of Madison, and Mrs. Neusauer of Bethalto. Alternates were Mrs. Estella McElrath of Madison and Mrs. Zelma Hart of Venice. Following the meeting games were enjoyed by the group and prizes were awarded.

GIRL SCOUT TRAINING LEADERS MEET AT CAMP

Mrs. Elmer Forende jr., Tri-City Girl Scout Council training chairman, and Mrs. Charles Rodell, training committee volunteer instructor, attended a territorial training committee conference at Camp Keck, near Belleville, Tuesday.

Representatives from Girl Scout councils in Wood River, Alton, Edwardsville, East St. Louis and Belleville participated in the meeting, which was held primarily to formulate constructive future training programs for the area. Belleville Girl Scout council executives served as hostesses.

Legion Auxiliary Chairmen Are Introduced

A barbecue party given Monday evening at the home of Mrs. Mary Fuller Batson, president-elect of American-Legion Auxiliary Tri-City Unit 113, served to introduce her new executive board and committee chairmen, who will take office Aug. 13.

An outdoor supper was followed by a social evening. Among the incoming officers present were Mrs. Nora Carver, first vice-president; Mrs. Kitty Morris, second vice-president; Mrs. Lois Morgan, secretary; Mrs. Helen Quarlis, treasurer; Mrs. Shirley Costello, historian; Mrs. Dorothy McCain, chaplain; and Mrs. Mary Steiger, sergeant-at-arms.

Others attending, who have accepted committee chairmanships and who names were announced for the first time, were Mrs. Lumeta Durbin, Americanism and past president's party; Mrs. Winifred Costello, national security and legislation and revision; Mrs. Doris Ross, Italian and coupon committee; Mrs. Doris Edwards, hostess and aids and means committee; Mrs. Lucille Hannebrink, entertainment; Mrs. Penrod, junior activities; Mrs. Melba Wade, music; Mrs. Dolores Craycraft, Pan-American and speakers' bureau; Mrs. Edna Branscomb, gold star mothers and pacifism; Mrs. Carmen Todd, child welfare; Mrs. Esther Harris, publicity and radio; and the retiring president, Mrs. Ella McKittrick, community service committee.

Among the officers who will head special groups are Mrs. Carver, rehabilitation; Mrs. McCain, veterans' crafts; Mrs. Morgan, education; and Mrs. Morris, membership and sick and visiting committee.

OPEN HOUSE HONORS
MR. AND MRS. WADE

An "open house" was held early this week in honor of Mr. and Mrs. Wade, who are at the home of Mrs. Wade's parents, Mr. and Mrs. Ted McClintock, 9 East Sherwood, St. Louis county. The honorees, who have resided in Chicago since their marriage last February, are spending the summer months as house guests of Wade's parents, Mr. and Mrs. E. J. Wade, 2515 Madison avenue.

Mrs. Wade is the former Miss Marilee McClintock, a graduate of William Woods College and Washington University. Approximately attended the event, including Wade's parents.

DAUGHTER ARRIVES HOME

Linda Jeanne Jungels, daughter of Mr. and Mrs. Charles H. Jungels, 2541 State street, arrived home this week following a three week vacation with her uncle and aunt, Mr. and Mrs. Frank Siano, and her cousins, Frank and Mary, in Chicago. While away, she accompanied the Siano family to Nottawa, Mich., for a two week holiday.

Granite City PRESS-RECORD
Page 8 Thurs., July 21, 1960

JAMBOREE-BOUND BOY SCOUTS are pictured on the city hall steps in Granite City before departing Tuesday for the fifth national jamboree opening tomorrow in Colorado Springs, Colo. Fifty-star U. S. flags obtained by the DAV Auxiliary for the Cahokia Mound Council contingent are shown being presented to Jamboree Scoutmaster Theodore Scum (left) and Lloyd Ozier (right) by Mrs. Lillian Hefferly of the DAV unit and Mayor Leonard Davis. Present Meyer of the Chamber of Commerce spoke, and Rev. Paul Evans gave the invocation of the farewell ceremony.

INTERNATIONAL SCOUT accompanying the local jamboree group to Colorado was Tom Sawyer, a scout commissioner in the Canal Zone, shown during a tour of the American Steel Foundries Tuesday. Inspecting a million-pound x-ray machine, designed to x-ray steel products, are (left to right) Sigmond Fredericks of American Steel, Sawyer and Uniwah District Scout Executive Dan Brown.

Shower Honors Mrs. Thomas At Class Meeting

Mrs. Demona Holtkamp, 1640 Ball avenue, was hostess for the July meeting of the Ruth class of Grace Baptist Church, held Tuesday evening at her home.

Mrs. Helen Lockery offered the opening prayer and the business of the evening was conducted under the direction of Mrs. Coleen Sharp, president, with the members authorizing a donation to help complete furnishings for the new church kitchen.

Mrs. Wilma Parker gave the closing meditations, and a surprise stork shower for Mrs. Frances Thomas was enjoyed for the remainder of the evening. Many gifts were presented to the honored guest.

After the packages were opened, games were played, with honors going to Mrs. Virginia Nesbitt, Mrs. Lily Compton and Mrs. Thomas. Refreshments were served by the hostess to eight members before the adjournment. The Ruth class will hold its August meeting in the home of Mrs. Paul Mikulas, 24 Briarcliff.

The Campanile of St. Mark's in Venice is a tower 325 feet high. In 1902 it collapsed, but was rebuilt.

Dorcas Class Meets At Church

The Dorcas Class of First Baptist Church held its regular business meeting and program Tuesday afternoon at the church with Mrs. Deana Kampachader, president, in charge.

After singing of the class hymn, "Have Faith In God," Mrs. Imogene Claxton offered the meditations. The devotional product was by Mrs. Gladys Brudway.

"One Day At A Time" was the topic of the stewardship lesson presented by Miss Anna French, followed with a poem reflecting the same theme entitled "This Day," which was read by Mrs. Vera Green.

"Proof of Eternal Security" was the teacher's thought for the day and the Lord's Prayer was offered in union to conclude the program. During a short business session, members elected to provide a basket of fruit for a sick person, as their project for the month.

Refreshments were served by the hostesses, Mrs. Florence Metcalf, Vera Green and Miss French to 14 members and a guest, Mrs. Amos Jones, who attended the class meeting to express her appreciation to its members for contributing donations of clothing for children in Okinawa following her appeal through the Press-Record.

Golden Circle Class Holds Picnic At Park

The Golden Circle Bible class of the First Baptist Church met at Wilson Park Tuesday noon for a covered dish picnic lunch, in lieu of the regular monthly meeting.

Mrs. Barbara Shanks, president, offered the blessing and later presided over a brief business session, with members electing Mrs. Mary Lou Summers as secretary-treasurer. Mrs. Summers will complete the unexpired term of Lois Crispin who is leaving with her family to reside in Terre Haute, Ind.

Members enjoying the picnic included Mrs. Crispin and children, Chuck, John, Diana and Cheryl; Mrs. Ruth Cook and children, Sheila, Billy and Pamela; Mrs. Summers and sons, Mark and Paul; Mrs. March Ewin and daughter, Kathie; Mrs. Virginia Head and daughter, Kathleen and Colleen; Mrs. Florence Petrovich and children, Keneth and Jay, and Donald Shanks.

The class will hold its next regular meeting Aug. 11.

Quilting Circle Holds Luncheon

The Nameold Methodist Church Quilting circle was entertained for a covered dish luncheon Wednesday noon at the home of Mrs. Lucille Russell, 1738 Brown avenue.

Members usually meet in the church building, but due to the continuance of vacation Bible school the group was invited to the Russell home. Later in the afternoon, the members adjourned to the home of Mrs. William Kirchner, 1601 Amos avenue, where they continued their quilting projects.

An out-of-town surprise guest was Mrs. Edna Weeks, a former member. Others present were Mrs. Eva Potter, Mrs. Ebel Gresham, Mrs. Sarah Ann Alsop, Mrs. Rose Ekins and Mrs. Kirchner.

National Firm Declares Quarterly Dividend

The board of directors of National Tea Co. this week declared the third quarterly dividend for 1960, amounting to 20 cents a share. H. V. McNamara, president announced. The firm operates a local food store. The dividend will be payable Sept. 1 to all shares of the company's \$4 par value common stock on record as of Aug. 15. This brings to 64 the number of consecutive regular quarterly dividends paid on National Tea Co. common stock.

Eta Chapter Installs New Officers At Dinner

Arrangements of pale pink and white feathered carnations decorated with tall white tapered silver branched candelabra graced the dinner tables at the Eta Chapter House, Belleville, on Tuesday evening for the installation dinner party of the Eta chapter of Phi Tau Omega sorority.

A cocktail hour preceded the dinner, and the installation ceremony followed.

Executives who will guide the affairs of the chapter for the coming year are Mrs. G. A. Thomas, president; Mrs. Harriet Horn, vice-president; Mrs. Shirley Rhine, recording secretary.

FORMER RESIDENTS MARK 60TH ANNIVERSARY

Mr. and Mrs. Benjamin F. Hayes, who lived on Fourth street, Madison, for many years have celebrated their 60th wedding anniversary in Los Angeles, Calif., according to word received here. Pioneer residents of the Quad-Cities, Mr. and Mrs. Hayes' two brothers, James B. Hayes and William Donovan of Madison, and Mrs. Grace Burns of Madison, sister of Mrs. Hayes, who also resides in Madison.

Remainder of the evening was spent at cards, with top honors going to Miss Martha Ruth Thomas, Miss Mary Hassler, Mrs. Ann Tatum, Mrs. Thomas Mrs. Laveda Knobbe, Mrs. Betty Peterson, Mrs. Laura Boyd and Mrs. Kirk.

Mrs. June Meyers, retiring president, and members of her 1959-1960 executive committee were hostesses for the affair, attended by 28.

Jolly Twelve

Meet For Luncheon

The Jolly Twelve pinocle club was entertained Tuesday afternoon in the home of Mrs. Stanley Greene, Rural Route Four, Edwardsville, with a one o'clock luncheon served by the hostess.

The afternoon was spent at cards, with high tallees made by Mrs. H. G. Bertrand, Mrs. Sophie Koesterer, Mrs. Kathryn Smithson, Mrs. Myrtle Ryan and Mrs. Charles Sparks, all of whom received prizes. The club will hold its next meeting in the home of Mrs. Agnes Gaughan.

NEW OFFICERS OF FELLOWSHIP INSTALLED

New officers of the Christian Youth Fellowship group of Central Christian Church were installed in candlelight ceremonies Sunday evening at the church by David McKel, past president.

New officers are Allen Kennerly, president; Larry Whitsell, vice-president; Miss Mary Spangler, secretary; Miss Carlene Butler, treasurer; and Miss Mary Kwak, reporter. As each officer walked to the altar, he was given a candle by McKel. As the vows of office were sworn, each lit his candle from a cross on the altar.

New chairman of the group also were installed. They are: Miss Carlyn Butler, study, chairman; Conley Howell, service chairman; Miss Marcia Walker, recreation chairman; Miss Barbara Byrnes, finance chairman; Miss Cheryl Rice, enlistment chairman; David McKel, worship chairman; and Mrs. H. B. Lipford, sponsor.

Rev. James Craddock led the worship service and later the girls of the group served refreshments to the new officers and Miss Peggy Lipford, Miss Betty Byrnes, Mr. and Mrs. M. L. Spender, Mr. and Mrs. D. L. Whitsell, Mr. and Mrs. Ted Rice, Mr. and Mrs. Joe Kennerly and Rev. and Mrs. Craddock and daughter, Lynn.

FOUR-H GIRLS EARN RIBBONS

The Merry Mitchellets, a Four-H group under the leadership of Mrs. Shirley Schilling and Mrs. Lorraine Highlander, received the results of their food and sewing projects Tuesday at the Farm Bureau building in Edwardsville.

Blue ribbons were received by Bonnie Allen, Donna Holiday, Linda Holland, Almedia Lahr, Kay Williams and Laura Jensen in the "You Learn to Bake" and "ABC's of Food" project, and red ribbon winners were Ida Mae Weldon and Beverly Cochran.

Winners of blue ribbons in the "You Make Your Own Clothes" and "You Learn to Sew" project were Judy Highlander, Sharon Holland, Beverly Cochran, Almedia Lahr and Laura Jensen and the red ribbon winners were Linda Holland, Cheryl Smith and Kay Williams.

Blue ribbon winners will go to the Madison county fair in Highland next week to compete with other Four-H girls in the county. The sewing project winners will model the clothes that they have made. Winners at the county fair will go to the state fair in Springfield in August.

FAREWELL DINNER

Gunnery Sgt. Evon Paraghalan was honored with a farewell dinner Tuesday evening by Mr. and Mrs. Surzand Hagopian in their home, 4008 Melrose avenue.

Paraghalan, who has spent the last 17 years in the Marine Corps, has just completed special schooling in North Carolina in the Arabic language. He is leaving today for a tour of duty in Washington, D. C.

Guests were Avilis Paraghalan, Mr. and Mrs. Kaper Hagopian, Mr. and Mrs. Charles Vartan and children, Charles Kenneth and Rebecca, Mr. and Mrs. Zorab Hagopian and son, Gregory, Mr. and Mrs. Zaven Hagopian and daughter, Karen, and the hosts' children, Dennis, Bruce and Cynthia.

24-HOUR TOWING - ASK FOR ANDY & JOHN'S ROYAL SHOP WRECKERS, TR. 7-1063.

COMMITTEE MEETING FOR JUNIOR SERVICE

The Junior Service club of Granite City held a committee meeting Monday evening in the home of Mrs. Dina Fox, 3729 North street.

Miss Virginia Judd, committee chairman, announced that plans for a fish fry Sept. 9 and 10 at the Bellemeau Valley Shopping Center are nearing completion and that the proceeds will be used for charity work.

Members attending were Mrs. Jean Ann Vrenick, president, and Miss Helen Parsaglian, Mrs. Thelma Jacobymer and Mrs. Marabeth McConnell.

MRS. MATHESON HOSTESS

Mrs. Betty Matheson entertained the Over 21 club Monday afternoon in her home, 3927 Nameoki road.

Games were played, with Mrs. Mary Doran holding high score. The hostess served a dessert luncheon to Mrs. Florence Borders, Mrs. Mary Pecurka, Mrs. Leona Johnstone, Mrs. Dorothy Rutan and Mrs. Penia Shookman.

Mrs. Doran invited the club to meet with her July 25 in the Doran home, 4123 Rose avenue.

RETURN FROM RANCH

Mr. and Mrs. Louis Kibort, 2124 Miracle avenue, returned Monday from a vacation in Colorado. They spent some time in Denver, and Colorado Springs, and the remainder of the time on the Lightning-S Ranch near LeVate, Colo. There they enjoyed horseback riding and square dancing along with regular ranch life.

Cub Pack of Frohardt school will hold its annual family picnic Saturday at 1 p.m. at Cahokia Mounds. It will be a basket-lunch picnic.

The Nameoki Methodist Church will be host to Methodist men of the area for a sub-district meeting Tuesday, July 26, at 7:30 p.m.

Leans Grandson Safe After Ship Collision

Mrs. Tom Biggs, 2836 Pershing avenue, learned yesterday that her grandson, Henry Charles Reummler, a former resident, was safe and uninjured after a harrowing experience on board the destroyer, USS Ammen, which collided Tuesday with another destroyer in a heavy fog off the coast of California.

His safety was ascertained after a telephone call to the east coast, taken by the ship's captain, Cmdr. Zaven Mihaljan, USN, personally. Eleven sailors were killed and over 20 injured in the collision between the Ammen and another destroyer, the USS Colelett, with all the fatalities occurring among the crew of the Ammen.

Reummler, 19-year-old son of the late Albert and Alma Reummler of Granite City, has two brothers, Donald and Billy Bob Reummler, also serving in the Navy. The family lived in Granite City for many years, with the Kirkpatrick Homes being their last address.

Rock Hits Girl In Eye

Hit in the right eye with the rock Tuesday evening, Susan Magyard, three, daughter of Mr. and Mrs. John Maynard, 2907 Sunset drive, was taken to St. Elizabeth Hospital at 8:30 p.m. where the inflammation was treated.

TRY A CLASSIFIED AD

Mrs. Irvin Frohardt Home From Hospital

Mrs. Irvin Frohardt returned Wednesday to her home at 2868 Madison avenue after undergoing brain surgery at Jewish Hospital in St. Louis. Relatives said her condition had improved since the surgery, although a nurse is still required at her home.

She had been at the hospital since May 22. Her husband is employed at General Steel Castings Corp., and is due to retire in September.

Feet Cut By Bicycle

David Lzeit, tour, son of Mr. and Mrs. Howard Ezell, 1744 Courtney blvd., suffered abrasions to his ankles and feet at 5:30 p.m. Tuesday when he caught both his feet between the turning spokes of a bicycle and bruises to the hip. He is expected to remain at the hospital another week.

Mr. and Mrs. Max Gorrell and children, Wayne, Susan and Karen, of Buxton avenue entered Monday with a barbecue. Seated at supper were Mr. and Mrs. Eldon Gorrell, Mrs. Howard Gorrell, John Gorrell and Mr. and Mrs. Gene Buzan and daughter, Terri.

CUB PACK 122 PICNIC

The July meeting of Cub Pack 122 of the Wilson avenue school will be a picnic at Wilson Park this Saturday at 10 a.m. All club and parents are being urged to attend.

Mr. and Mrs. Jerome Troeckler and children, Stephanie, Stephen and Gregory, 2312 Wilson avenue, had as their guests Mr. C. Troeckler and Mr. and Mrs. Claxton Burroughs and son, Dick, of Edwardsville.

Mr. and Mrs. Calvin Howard and children, Randy, Terry, John, Ronnie and Sherry, 2832 Edgewood avenue, had as their guests Tuesday Mr. and Mrs. Jesse Howard and grandson, Jun-Lloyd Struttman of Florissant, and Mr. Litchfield, Ill., spent the Mo.

RETURN FROM ALABAMA

Mr. and Mrs. Dick Portell, 2924 Edgewood avenue, has as a guest Sgt. Archie Sabo of Annapolis, Ala. The Portells and children, Debbie and Gary, accompanied Sabo back over the weekend and returned home on Tuesday. A niece, Carolyn Sue Sabo, also accompanied the group.

In Hospital After Fall

Bert Hill, 54, of 1305 Gladys street, Collinsville, is convalescing at St. Elizabeth Hospital this week after suffering injuries to the head, back and hip in a 32-foot fall from a scaffold July 15 while at work at Granite City Steel Co. Hill, who works for the Kroeger Construction Co. of St. Louis, which is on a construction project at the site, received a mild concussion, multiple abrasions to the head and bruises to the hip. He is expected to remain at the hospital another week.

weekend at Meramec State Park in Missouri on a camping and sightseeing trip.

Mr. and Mrs. B. W. Ahrens, 2838 Edgewood avenue, had as their guests Tuesday Mr. and Mrs. Don Waters and children, David, Donna, Tommy, Sherry and Michael, of Alton.

Pickering New MHS Grid Coach; Mueller Resigns

Trojan Basketball Coach To Similar Post In Michigan

Glen Pickering, coach and athletic director at Sparta high school for the past three years, was employed as head football and basketball coach and a physical education instructor at Madison high school for 1960-61 during a meeting of the Madison school board Tuesday night.

At the same meeting, the board accepted the resignation of Madison native Charles "Buddy" Mueller as head basketball, track and cross-country coach, effective immediately.

His replacement was not chosen.

Area Native
Pickering, only 27, is a product of East St. Louis high school, where he lettered in football, basketball, baseball and track under Wirt Downing. He is married and the father of two children.

He attended Northeast Missouri State Teachers College at Kirksville, graduating in 1955 with a bachelor degree in physical education. Following graduation, he spent two years on active duty with the U. S. Marine Corps.

In 1957, he joined the coaching staff at Sparta, where he served as head football and track coach assistant basketball coach and athletic director.

During the past three years, the Bulldogs, under Pickering's direction, recorded a 15-10-2 record. Their record in 1957 was 7-2-0, in 1958 2-5-0 and last year 6-3-0. The Bulldogs finished in second place in their football conference in 1957 and 1959, as high in the standings as Sparta teams have ever finished.

Resignation Expected
Mueller's resignation had been expected for some weeks, and became official when his letter of resignation was approved by the board Tuesday. He has accepted a teaching and coaching position in the school system at Mount Pleasant, Mo., in September. Mount Pleasant is a city of 12,000 in the central part of the state.

Mueller's Trojan basketball teams had a record of 40 wins and 27 losses during the three years he was head coach. He had only one losing season, his first, when Madison won 10 and lost 14.

In 1958-59, the Trojans finished with a 16-12 record card, staging a comeback in the final part of the season to become the only Madison team ever to reach the state tournament at Champaign.

Last season, hampered by the loss of two regulars to other schools in the area and the ineffectuality of a third due to high

CHANGES in athletic department of Madison high school announced Tuesday night included the hiring of Glen Pickering (left) as head football and basketball coach, and announcement of the resignation of Charles "Buddy" Mueller (right) as head basketball and track coach. Mueller has accepted a coaching position in Michigan, and Pickering replaces Francis "Fat" Dant, who resigned to become principal of the Harris grade school.

school age limit. Madison posted a 14-11 season. The Trojans won only three of their last 11 games, however.

Capitulated College Team
A playmaker and effective outside shooter during his high school career in Madison, Pickering went on to star in basketball for Millikin University, where he captained the team in 1933 and played in two NAAU tournaments.

He was a member of the conference all-star team his senior year, and also lettered in basketball as a pitcher for four years.

Deer Hunters Urged To Contact Land Owners
It is the sportsman's responsibility to find a place to hunt, and he should do this before he applies for a permit, the Illinois Department of Conservation, pointed out this week.

Anyone who hopes to be successful during the 1960 season will have to spend some time prior to the season in the area where he intends to hunt, contacting landowners to determine if they will allow deer hunting.

Applications or letters for deer permits should be mailed to the Deer Permit Office, Illinois Department of Conservation, State Office Building, Springfield, Ill. 62762, through Nov. 30. Permits will not be issued to hunters who call personally at the Springfield office.

In setting the pheasant season for Nov. 15 through Nov. 30, Palmer predicted that pheasant hunters will have to hunt harder for their birds this year than in the 1959 season.

A decline of the pheasant population in northern Illinois counties and adjacent states is anticipated. Illinois breeding hen pheasants have decreased about 20% from the level of May 1959.

HEALTHY CUT at softball is taken by a member of one of four girls' teams currently playing in summer league at Wilson Park on weekday mornings. The program was begun last year by the Granite City park district in an attempt to offer a wider variety of activities for girls.

Suburban Trips
Emmanuel, 15-9
A virtual tie for second place developed in the Daplist Slow Pitch Softball league Tuesday night at Lee Park in Venice as Suburban defeated Emmanuel 15-9 in the only game scheduled.

Idle Meadow Heights still holds second place by a few percentage points, but both Suburban and Meadow Heights trail leader Grace Baptist by one game on the loss side.

Paul Hopper went all the way on the mound of Suburban, giving up nine hits while his teammates collected 19 off the slants of loser Stan Manning and Emmanuel relief pitcher George Castelman.

Phil Thebeau and Bruno Nicoll each had three hits for Suburban, and each collected a double and triple in the process. Gene Durrett had two safeties. John Shilt was a "one-man game" for the losers, knocking a double and triple and driving in five runs in a losing cause. Ted Barr singled twice. Tonight, Meadow Heights meets Second Baptist at 7 o'clock and First Baptist plays Grace at 8:15. Both games are at Lee Park.

Class "B" Action
Exterminators Bowl Over Pals 13-1, Na-Bor-Hood Edges Credit Union 3-2

Modern Exterminators had a bit of trouble in protecting its first-place position in the park district Class "B" Softball league Tuesday night at Wilson Park, downing the Pals 13-1 in six innings.

By way of contrast, last-place Granite City Steel Credit Union battled Na-Bor-Hood Cut Rate Liquors down to the wire before dropping a 2-1 decision in Tuesday's first game.

Na-Bor-Hood scored both its runs in the fifth inning. Jake Hintzer reached base on an infield error, Pete Sykes singled and the runners advanced to second and third on an outfield boot, from where both scored on Ott Peacher's single. The only other hit by the winners was Don Sykes' fourth-inning double.

The Credit Union scored its only run in the sixth on Art Polach's double and a follow-up base hit by Jim Corbitt. Two-out singles by Mac Cook and Bernie Crockett in the third were wasted.

Bill Favier, who allowed four hits, was the winner, with Peacher behind the plate. Carol Tingley, who gave up just three hits, took the loss. The Credit Union catcher was George Cook. The Exterminators picked up their 13 runs on nine hits, and were helped by seven fast errors and six walks given up by losing Pitcher Mike Schuler. They scored three runs in the third, and five tallies crossed the plate in both the fifth and sixth frames.

Bob Crider and Chuck Weiss each had two hits for the Exterminators, one of Crider's being a double in the fifth frame. George Grimm picked up a sixth-inning two-out hit.

The Pals ruined winner Evans Mank's shutout in the fourth when Bill Morris reached on an error, took second on an infield

Country Club Entries In Two Diving Contests

In preparation for the eighth annual age group championships in Marion next week, two youthful divers representing the Sunset Hills Country Club won honors in their respective divisions of the Southern Illinois Junior Olympic AAU Swimming and Diving Championship meet held in Frankfort during the week end, it was announced here this week.

Terry Studebaker, daughter of Mr. and Mrs. Thomas Stude-

baker of the Studebaker Construction Co., Granite City, placed second in the junior girls' division.

Chuck Fruit, Edwardsville, won first place in the intermediate boys' division, ages 13 to 14.

The two youngsters, instructed by the club coach, Don Lee, were the sole entries under the Sunset Hill club's banner.

Plans call for the pair to perform in the Marion competition July 29 and 30.

STILL ON ROSTER

The Los Angeles Dodgers still carry the name of partially paralyzed Roy Campanella on their voluntarily-retired list.

**Park Playground
Tournament Winners**
Playground directors in the Granite City park districts summer recreation program this week announced the names of the winners of a number of playground contests held July 17. The announcement was made after tabulation of the contest scores.

At McKinley school, Connie Coe, Tim Hobbs and Harry Freeman were judged best entrants in a wheel parade. Jeff Jolly, Robin Tenge, Tom Miotzky, Donna Hobbs, Judy Benko and Marilyn McNeil were the winners of "Olympic" contests held at the same playground, while checkers and Chinese checkers ribbons were won by David Patton, Dennis Jolly and Mary Mobley.

A pet and doll show at the Lincoln Place community center produced the following winners: Rebecca Tindell, Kathleen and Debbie McGovern, Linda Petras and Sharon Fuller. At Logan school "Olympics" winners were Patricia Bloodworth, Phyllis Carbaugh, Sharon Bloodworth, Larry Pirtle, Douglas Dunning and Charles Christner.

Wheel parade winners at Namrock school were Susan Lybarber, Diane Feuchta, Beverly Prindle, Mike Ireland, Patty Patrick, Larry Harmon and Diane Mason. Truck dash winners were Terry Harmon, Brenda Reed, Randy Lambert and Kathy Wakefield, while first-place broad jump ribbons were won by Dennis Rice, Diane Feuchta, Ronnie Shepherd, Beverly Pirtle, Donnie Laymon and Judy Phillips.

At Marshall school, the wheel parade winners included Diane Jones and Cheryl Landis. "Olympics" winners included Dave Sumpter, Elizabeth Bathon, Mike Higgins, Debby Sparks, and Suzie Higgins. Base-running events were won by Dave Sumpter, Mike Higgins, Ray Dowdy, Vivian Zigles, Lorraine Dowdy and Suzanne Reiman.

GOODY MARGIN
Jette Mooney and Freda Lamber of South Bend, Ind., won the 1960 WIBC doubles title with 1221 pins. They beat Judy Sakata and Gene Goff of Los Angeles by 31 pins.

Waiting for something to break is a good way to go broke.

Union Starch Also Will Give Safety Poster Awards

Union Starch and Refining Company's vice-president and general manager, John McBride, said this week that children of company employees will be encouraged to enter the safety poster contest being sponsored by the Quad-Cities Safety Council.

Judging of the posters will take place during the Safety Week proclaimed for the week of Sept. 1 to 7.

The contest is open to any boy or girl who is enrolled in a Quad-City grade, junior or senior high school this September, with the grand winner receiving a first prize of \$50. There also will be first, second and third prizes of \$15, \$10, and \$5 for each of three grade groups: 1st to 5th grades; 6th to 9th grades; and 10th to 12th grades.

Contest Rules

Posters must be 12 inches by 28 inches in size and are limited to one entry from each contestant.

The entries must "sell" people on the idea of behaving in a safe manner, and will be judged primarily on emotional and sales appeal, with consideration given to the contestant's age and grade.

As an added inducement to encourage children of Union Starch and Refining Co. employees to enter the contest, the company will furnish its employees' children with free poster cardboard, and will display all of the posters submitted by the employees' children for one week on the plant property.

Bonds To Be Presented

Three prizes will be awarded in each of the grade categories to the winners among the employees' children. First prize in each grade category will be a \$25 savings bond, with second and third prizes consisting of art material.

The Management of Union Starch said that it companies in the area encourage the children of employees to participate in the activity, the cause of safety can be advanced considerably.

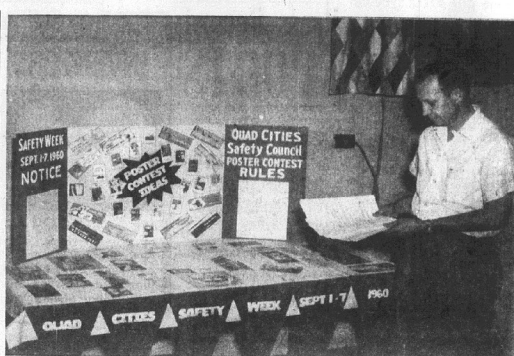

By encouraging the children of Union Starch employees to participate, the company believes that there will be carry-over interest on the part of the parents, which will make for safety consciousness in the home, on the road and at work, McBride said.

Suggestions For Artists

Granite City high school art director Eugene Alissi has compiled a list of pointers on poster making for students who plan to enter the safety contest. He advises:

"The first objective of good poster construction is to sell an idea through a visual method. A poster design should stress simplicity. The message should be direct and to the point.

"No words should appear on the poster that could be left off. Words such as 'a' and 'the' can

Safety poster exhibit is inspected by Merrill L. Cox, safety engineer with the Laclede Steel Co. in Madison, after putting the finishing touches to the display. It offers free literature on many subjects concerning safety. The display is in the Chamber of Commerce office, 1930 Edison avenue.

MADISON KHOURY LEAGUE RESULTS

Atom Division, Babe Ruth League, Tuesday, St. Mary's Angels 1, St. Mary's Angels 11.

Midget Division, Mickey Mantle League, Wednesday, St. Mary's 16, Madison Rotary 5.

WP: Jack Miller, struck out 11.

Midget Division, Mickey Mantle League, Wednesday, Laney Warriors 8, Clinton Tavern 3.

WP: Terry Clark.

Bantam Division, Ken Boyer League, Wednesday, IPC 9, St. Mary's 6.

WP: Darrell Mayo, HR: Bob Robinson, IPC.

usually be left off the poster.

"Colors should be clear and true. Single hue color schemes, however, can be used as interesting eye catchers. A border used to frame the subject matter can add interest to the composition, but is not always needed.

Types Of Lettering

"More than one kind of style of lettering used on the poster will draw attention to the poster. In simple, 3-D letters can be used. These letters should be cut from the same poster cards; however, letters may be cut from balsawood.

"Above all it should be kept in mind that the drawings and lettering should not clutter the poster, but should be placed in a balanced method on the background."

Alissi said.

Simplicity, the art instructor stressed, is the keynote of good poster design.

Mickey Mantle entered the 1960 baseball season with a total of 899 strikeouts and 893 walks in 1246 American League games since 1951.

AL IS MANAGING

Former catcher Al Lakeman manages the Montgomery Rebels in the Class D Alabama-Florida League.

The Barrett Park Zoo on New York City's Staten Island has one of the world's largest collections of snakes and other reptiles.

NAMEOKI LITTLE LEAGUE RESULTS

Minor League, Tuesday, Blue Bombers 5, Little Optimists 4.

WP: Randy Lambert, Home Runs: Wayne Woods (2), Bob Jackson.

3-Base Hits — Robert Jackson.

Rick's Market, Bombers Score Teenage Victories

An unearned run in the seventh inning helped Rick's Market to a 10-9 win over the Warriors in Granite City park district Senior Teenage Softball league play last night at Wilson Park, and helped that team protect its first place standing.

In the first game the Bombers needed only five innings to defeat Roca Club 16-6 as they scored at least once in every frame. John Michaels homered for the winners in the bottom of the fifth to give them the necessary one-run lead.

Winning Pitcher Bill Stull and Michaels each had three hits in three trips to the plate. John Gramian and Sarkis Nighoghossian split the catching chores for the Bombers. Vic Buehler was the losing pitcher in relief of Bob Summers.

Bob Hoffer went all the way for Rick's Market, giving up 10 hits but getting the win as his teammates rallied for seven runs in the last three innings. Bill Scarsdale was the Rick's catcher.

Clyde Myers, who allowed nine hits, was the loser. Pat Schuman caught for the Warriors, who lost the game with errors in key situations.

Russ Kemmerer, Chicago White Sox pitcher, beat the Yankees three times in 1959 as a member of the Washington Senators.

'Y' Industrial Wins Go To GC Steel Team, Postmen

Granite City Steel Co. and the Granite City Postmen continued their battle for first place in the YMCA Industrial Softball league last night at Lee Park in Venice.

Both posted wins to remain tied for the top spot with 4-2 records.

The Steel Co. turned back A. O. Smith Corp. 11-7 after the Postmen came home ahead of Union Starch and Refining Co. in the first game, 9-5.

Doubles by Andy Angeloff and John Bell, together with the steady hitting of Bill Craibree and Clarence Wadlow, boosted the Postmen to their win. Carol Dingley limited Union Starch to seven hits, two of them doubles by Rich Elmore.

Craibree and Wadlow each hit safely twice for the winners. Boyd Presley was the winners' catcher and was the losing pitcher. Harley Warren worked behind the plate for Union Starch.

Steel hurler Neal Melton fanned eight and allowed six hits to earn the decision in the nightcap. Steel Co. in the meantime was picking up nine safe blows off the slants of loser George Martin.

Charles Polach had three hits

Boy's Arm Slashed By Glass In Kitchen Door

Turning abruptly at the sudden barking of his pet dog Tuesday, 12-year-old Frank Vood, son of Mr. and Mrs. George Vood, 2804 Iowa street, smashed his swinging left arm through a large glass pane in the kitchen door. The jagged edge of the glass inflicted a long, deep gash in his arm.

Rushed to St. Elizabeth Hospital at 1 p.m., the boy was in surgery for over an hour while doctors used 22 sutures to close the wound. He was admitted for overnight observation and released Wednesday at 11 a.m.

Bernie Crookrell was credited with two, Jim Corbett and George Cook divided catching chores for GC Steel, while Ron Corey was the A. O. Smith backstop. Union Starch and A. O. Smith are tied for third place with 2-4 records.

Halfback Ron Hall Joins Steelers In Pennsylvania

Ronnie Hall, defensive halfback for the Pittsburgh Steelers in the National Football League last year, left yesterday to report to the Steelers' summer training camp at California State Teachers College, California, Penn.

The son of Mr. and Mrs. Elbert Cochran, 2662 Grand avenue, Hall has already signed his 1960 contract with the professional club, but said before he left that he could be cut from the squad before the regular season opens. "It's the same every year, you come back and try to beat out someone who is after your position," he added.

The Steelers began light drills today at California, which is 30 miles south of Pittsburgh. They will play six pre-season games, beginning on Aug. 3 with Toronto.

YMCA HIKERS, on their way to the Chain of Rocks canal locks for a tour of the facilities there and a picnic lunch, are strung out along road bordering the Granite City Engineer Depot. Over 100 youngsters participated in the YMCA summer recreation program event yesterday.

YMCA Youngsters Hike, Tour Locks, Picnic

About 100 youngsters who are enrolled in the YMCA's summer recreation program hiked from the "Y" to the Chain of Rocks canal locks, toured the lock facilities, ate a picnic lunch and returned to the YMCA yesterday.

Supervised by Jim Reinhardt, Pete Robinson, Miss Eva Bruton and five members of the youth staff, the youngsters left the YMCA at 9 a.m. They brought sack lunches which were taken to the locks in advance, together with levers furnished by the YMCA.

The outdoor picnic followed a tour through the locks conducted by engineers on duty there. The group hiked back to the YMCA, arriving at 2 p.m. Due to the large number of applicants for the event, over 100 of whom were unable to make the first hike, another hike and tour is being planned in August, Miss Bruton said.

Excavation Lights Out

Granite City police received report at 10:11 p.m. yesterday that excavations on St. Clair avenue were inadequately lighted. After checking the street, a string of lights was found to be out and the contractor was notified.

Bow Line Boat Club Members To Depart On Cruise Saturday

Members of the Bow Line Boat Club will point their outboards south Saturday morning on a two-day cruise to and from Nashville, Tenn., Commodore Ray Simmons said this week. The trip will cover an estimated 500 to 600 miles.

Five to eight boats belonging to club members will make the trip, traveling over the Mississippi, Ohio and Cumberland rivers, Simmons added. The group will camp the first night out at Paducah, Ky.

A Nashville radio station will follow the Bow Line boat trip, reporting on its progress. The boats are scheduled to dock at the club grounds near the Hartford canal late Sunday evening. Simmons said the club's annual races have been definitely canceled this year due to the damage caused to club grounds by high waters of the Mississippi river earlier this year.

Masked Prowler

A prowler reportedly wearing a mask at 2434 Ohio avenue was reported to police at 12:01 a.m. today. Police said they talked with the complainant and checked the area, but found nothing.

Park Sports Camp Begins Final Week On Monday

The seventh and final session of week-long sports camps for boys who reside within the Granite City park district will begin Monday morning, park Recreation Director Harold Brown announced this morning.

Brown said 153 boys registered and attended the first six sports camps, which were offered here for the first time this summer under the direction of Joe Fe-dora and Conrad "Babe" Cham-berlain.

Boys between eight and 13 who wish to participate in the final week's program should report to the Niedringhaus school at 9 a.m. Monday, bringing with them the \$10 registration fee, a ball glove and swimming trunks.

Sports with which the camp is concerned included baseball, basketball, football, swimming, bowling and roller skating. Noonday lunches are provided at a downtown restaurant Monday through Friday.

Auto, Truck Collide One Driver Arrested

Frank W. Harris, 63, of 2408 West 24th street was issued an arrest notice by Granite City police at 10:56 p.m. yesterday for failing to yield the right-of-way after his auto was involved in a collision with a truck on 20th street at Madison avenue.

The westbound truck, driven by Albert Martin, 53, of 431 Lincoln avenue, Venice, attempted to make a left turn onto Madison avenue. Harris' auto was eastbound. He posted his driver's license as bond.

Union Still Debating Electric Co. Offer

Members of Operating Engineers Local 148 were continuing to meet in East St. Louis shortly before noon today to consider a contract proposal from Union Electric Co., against which the local has authorized a strike.

Representatives of the electric company and union have not held negotiation meetings since last week, when a revised proposal on a new contract was submitted by Union Electric.

Union members in St. Louis voted on the offer Tuesday, but their acceptance or rejection of the company proposal will not be revealed until the results of similar meetings in East St. Louis and Bagnell Dam in Missouri have been tabulated.

Gordon Death Ruled Suicide At Inquest

Bon Gordon, 48, of 63 Garesche Homes, Madison, who was found dead Sunday near the Sand Prairie Road and Gun club, apparently committed suicide. It was ruled at an inquest held yesterday by Deputy Coroner Francis Lahey. No reason was determined.

Mrs. Gordon and her husband were at the club with two other couples for a weekend outing. Gordon had left the group three times, and the last time failed to return. When they were unable to locate him, they returned home and he was found the next morning.

Speeding Arrest

Daniel E. Brown, 21, of 1828 Spring avenue was issued an arrest notice at 10:20 p.m. Tuesday for speeding at 24th street and Madison avenue. He posted his driver's license as bond.

Assault, Other Charges

Loy D. Skeen, 33, of 2770 Madison avenue was arrested at 10:22 p.m. Monday at Niedringhaus avenue and State street. He later pleaded guilty to charges of assault, creating a disturbance and disorderly conduct, and paid fines of \$5 and costs on two of the charges. A \$100 fine for disorderly conduct was suspended, and Skeen was placed on probation and released.

Granite City PRESS-RECORD

Thurs., July 21, 1960 Page 13

Prowler Reported

Someone was trying to enter the front door of a house at 2231a Grand avenue, it was reported to police at 11:20 p.m. yesterday. Police checked the area and talked with the complainant, but found no prowler.

HONOR BRIDE-TO-BE

A miscellaneous shower was given Sunday afternoon at the Venice Social club, 117 Broadway street, honoring Miss Dee Ann Hultner, daughter of Mrs. Gray, of East St. Louis, who will become the bride of Keith Kelly, son of Mrs. Lettie Kelly, 709 Brown street, on Aug. 26 at the Evangelical Church in East St. Louis.

Hostess for the occasion was her future sister-in-law, Mrs. Glenda Callender. Decorations in rainbow colors carried out the theme, and table favors were miniature wedding rings on top of marshmallows. Following the opening and displaying of gifts, games were enjoyed and prizes were awarded to all present.

A luncheon was served, and other guests attending were Mrs. Dixie Reed, Mrs. Robert W. Parr Jr., Mrs. Eleanor Scaturro, Mrs. Lillian Mangione, Mrs. Hazel Jones, Mrs. June Lane, Mrs. Irene Miles, Mrs. Loretta Morris, Mrs. Martha Watson, Mrs. Hazel Cockerill, Mrs. Elsie Canner, Mrs. Naomi Boelling, Mrs. Beulah Slocum, Mrs. Paul Hoover, and Mrs. Dolores Boelling and children, Karen, Kim and Kent.

SEMI-ANNUAL PARTY

Venice Rebekah Lodge 570 met Monday evening at the Odd Fellows hall with the noble grand, Mrs. Olga Robinson, in charge. Semi-annual reports were given by the recording secretary, Miss Luella McCoid. A discussion was held on members assisting at the Venice homecoming festival to be held at Lee Park Aug. 12-14.

Mrs. Ruby Woods, noble grand of Delray Lodge 786 of Madison, presented Mrs. Robinson with the "golden key" and she in turn will present the noble grand of her choice.

The semi-annual party for 16 members having luncheon in the first six months of 1960 was held, with each receiving a gift from the lodge. A desert luncheon was served by the hostesses, Mrs. Bernice McKay, Mrs. Mary Baggett and Mrs. Marie Ziegler, to 16 members and 13 guests.

Hostesses for the next meeting will be the McMillan Hospital Tuesday to undergo surgery for an ear condition.

Saw Cuts Thumb Tip

William Wittkamp, 54, of 805 East Chain of Rocks road cut off the tip of his right thumb Tuesday while working with a saw. The wound was treated and sutured at 7:30 p.m. at St. Elizabeth Hospital, after which he was released.

24-HOUR TOWING — ASK FOR ANDY & JOHNNY'S BODY SHOP WRECKERS, TR. 7-1063.

WANTED BY THE FBI

SMITH GERALD HUDSON
One of the FBI's "Ten Most Wanted Fugitives," Hudson is sought for his August 2, 1957, escape from the Pennsylvania State Penitentiary where he was serving a 10- to 20-year term for the brutal 1951 shotgun slaying of a Pennsylvania man. A federal complaint charging Hudson with unlawful interstate flight to avoid confinement for murder was issued on August 12, 1957, at Scranton, Pa.

Hudson is a white American, born at Radnor, Pa., on March 1, 1928. Approximately 5 feet 8 inches tall and weighing about 152 pounds, he has brown hair, blue eyes, a medium complexion, and a medium-sized build. He has a 1/2-inch linear scar on the first joint of his left thumb, a 1/2-inch scar on the outer edge of his left eyebrow, and an appendectomy scar. He has worked as a coal miner, farm hand, laborer, and truck driver and likes most sports, particularly swimming.

Previously convicted of interstate transportation of a stolen motor vehicle, murder in the second degree, and involuntary manslaughter, he is considered a dangerous and violent man when drinking to excess. He is convicted armed and extremely dangerous and capable of killing without hesitation.

Three Youths Fined, Beer Found In Auto

Two local teenagers and one from Glen Carbon, arrested in Edwardsville on offenses varying from making an illegal left turn to illegal possession of alcohol, were fined \$66 and court costs Tuesday. They were Paul Sidney Davis, 17, Madison; Marvin W. Lee, 18, Granite City; and Richard Coin, 19, Glen Carbon.

Stopped after police noticed that their car was "weaving" July 17, Davis was fined \$25 and cost for illegal possession of beer; Lee, owner of the vehicle \$25 for illegal transportation of alcohol and having loud mufflers on his vehicle; and Coin \$15 for making an illegal left turn and having no driver's license.

The Hills Terrace breakfast club held a monthly meeting with an outing at Wilson Park and a pot luck lunch this week. Those who attended were Mrs. Jeri Scheib and daughter, Mrs. Margaret Townsend, and daughters, Mrs. Thelma Morlan and children, Mrs. Opal Davis and children, Mrs. Florence Perrow and daughter and Mrs. Carol Buford and children. The next meeting will be held at the park Aug. 18.

GUESTS FROM ARIZONA

Mr. and Mrs. Charles Kilmer have as their guests this week Mr. and Mrs. Robert Culbertson and family of Phoenix, Ariz.

Venice Woman Escapes Fire But Is Injured

Escaping through a window of a burning building after breaking the glass with her shoe, Miss Hallie Williams, 17, of 1122 College street, Venice, suffered lacerations to her right arm that required sutures at St. Elizabeth Hospital Monday.

The fire broke out in a 13-room combination tavern and house at 1604 Division avenue, East St. Louis, Firemen at the scene two hours and 51 minutes, said the blaze was of unknown origin. Total Damage was \$1450. An East St. Louis man suffered smoke inhalation.

Mr. and Mrs. Robert Webb and children have returned to their home at Ft. Leavenworth, Kan., after spending a week visiting Mr. and Mrs. David Warren.

The Mitchell Old Timers beat the Young Timers 8 to 4 in a ball game Sunday.

Mrs. Ellen Gray, 76, Passes Away Tuesday

Mrs. Ellen Dennis Gray, 76, of 2424 Adams street died at 9:45 a. m. Tuesday at St. Elizabeth Hospital. She had been under medical care 19 months and a patient at the hospital four months.

A Granite City resident 45 years, Mrs. Gray was born in Wales and formerly lived in Pennsylvania. She was a member of the First Presbyterian Church. She was preceded in death by her husband, Robert Gray, 21 years ago.

Mrs. Gray is survived by three sons, Robert Gray Jr., Granite City, Ralph Gray, East Alton, and Joseph Gray, Saul.

Funeral arrangements are given in today's obituary column.

GC Man Raises Giant Three-Pound Tomato

The second unusually large vegetable within a week was reported yesterday by a Quad-City gardener, just a few days after the unveiling of a six-pound, two-ounce cabbage.

Describing it as "red, ripe and rough," Walter Scarborough, 65, of 2926 Buxton avenue reported a three-pound tomato grown in a lot across the street from his home. "It's bigger than any one I've seen and I've been keeping a garden for over 17 years," he said.

The largest I've ever seen here, he weighed about a pound and Dennis, Canton, O., 17, grandchild, said.

Funeral arrangements are given in today's obituary column.

There's nothing different about this one, except its size. It's common, but big.

Nothing special was used to produce the royal sized tomato, Scarborough remarked. Scarborough, who retired last year after 35 years at the steel company, describes himself as "an ordinary gardener," and no expert although he raises, potatoes, corn and other vegetables besides tomatoes.

Three tiny tomato offshoots crown the top of the giant vegetable, while its sides are rather lumpy, he said.

Just a week ago, Mr. and Mrs. Lacy Rushing, 4844 Warneck avenue, displayed the fruit of their garden labor, a cabbage weighing over six pounds.

The United States grows about 180,000 acres of strawberries with an annual crop value of about 35 million dollars.

Final Payment To Contractor On Fire Station

Final payments on two phases of the Granite City fire station construction project were approved by Granite City aldermen Monday night in approving a list of bills.

The Tom Studebaker Construction Co., general contractor, was paid \$28,405 and Tri-City Heating and Air Conditioning received \$3014.

In presenting the bills, Alderman Paul Rutledge noted that work is virtually completed on the fire station, located at 22nd street and Madison avenue. It was occupied this summer by firemen from the downtown station. He said the contractor and architects have given assurance that minor changes will be made.

Payments authorized included

Coreless Driving Charged

Gilbert Hippey, 23, of 3332 Red Bud avenue was issued an arrest ticket by Granite City police at 8:25 p.m. Tuesday on a charge of coreless driving. He posted \$11 cash bond.

\$3474 to the General Electric Co. for six police radio sets required by a federal frequency change. Monthly expense allowances of \$30 each were approved for Aldermen Emerald Dives, Frank Nemeth and Sam Whitmer. Alderman Rufus LeMaster was authorized \$30 for gasoline and oil and incidental expenses during July.

Mr. and Mrs. George W. Stearns and Mr. and Mrs. Luther DuNard were paid \$1200 for release of damages and for an easement for a sewer line on a lot in the Cloverview subdivision. The G. H. Sternberg firm was paid \$4027 for installing a 15-inch storm sewer line on Melrose avenue under its contract.

Kiwanians Complete Game Plans, View Film

Granite City Kiwanians met Monday night at the Elks club to complete plans for tonight's benefit softball doubleheader at Wilson Park. Club members heard a guest speaker, Harold Brown, Granite City park district recreation director, describe and elaborate on four team taking part in the two games.

They also viewed a film entitled "The American Road," which traced the development of the automobile industry from its beginning in this country to the present time. President Francis Judd presided at the meeting.

DISCOVERED PRINCIPLE
The laws of the lever were discovered by the Greek mathematician, Archimedes, who boasted: "Give me a fulcrum and I will move the earth."

743 At Scout Camp This Year; Final Week To Begin

Local Boy Scouts and leaders at Camp Surinen will number 23 next week in the sixth and final week of the 1960 season. They will leave Sunday for the campsite at Potosi, Mo.

In all, 62 scouts from all parts of the Cahokia Mound Council will report to the camp. The total this season is 743 scouts and leaders, with 347 having come from the Quad-Cities. Last year's total was 635.

Leader Glen Combs of Troop 95 of the Engineer Depot will take 10 scouts to the camp — Jim Milan, Charles Beaver, Frank Cozart, Gerald Biggs, Dennis Kilmer, James Whitely, James Beicher, Gary Zach,

Forest Swan and Gary Can. Representing Troop 46 of the Namekiki school PTA will be Leader Donald P. Jackson and nine scouts — Donald Lane, Robert Jackson, Richard Hostetler, Mike Sizemore, Edward Merz, George Dombek, Rich Myers, Craig Alcorn and Kent Vaughn.

From Troop Six of Concordia Lutheran Church will go Scouts Alvin Kayser, Charles Westbrooke, Joe Shane and Kendall Smith.

During the week after the regular season ends, about 20 in scouts from three troops, including two Quad-City troops, will be in the Camp Surinen area for a canoe trip.

Four GC Students At McKendree This Summer

President Max P. Allen said today that Ollie G. Kendall, Alice A. McMillan, Phyllis A. McMillan and Kathryn E. Riching, all of Granite City, are among the 284 students enrolled in the seven-week summer session at McKendree College.

The session will end Aug. 5. Sixty-one of those attending will complete degree requirements at the end of the term. Since McKendree has only one graduation ceremony during the year, they took part in commencement exercises held on campus, they took part in commencement exercises held on campus, they took part in commencement exercises held on campus.

A feature of the summer session is a guidance workshop July 25-29. The director is Charles E. Miller, superintendent of West-

Disturbance Charges

Two men arrested at 6:10 a.m. Tuesday by Granite City police on charges of creating a disturbance were released after posting \$20 cash bail each. Daniel Rushing, 33, and William C. Scott, 37, both of Rural Route One, pleaded innocent to the charge.

Hit-And-Run Accident
The left side of an auto owned by Edward Funkhouser, YMCAs was damaged by a hit-and-run vehicle while it was parked facing north at 2430 Lincoln avenue at 7:20 p.m. Tuesday. The other car was described as a white 1959 model.

Quizzes in Today's Schools
McKendree's fall semester of study begins Sept. 13. Admissions Dean W. Norman Grandy expects this fall's freshman class to number about 70 students.

Granite City PRESS-RECORD

Thurs., July 21, 1960 Page 15

Council Informed Of Falls, To Seek Bids On Railings
Requests for injury payments resulting from falls continue to be received by the city government of Granite City. Two such letters were announced at Monday night's city council meeting.

Fred W. Kottmeier of Granite City reportedly falling down the city hall steps on the Edison avenue side after paying his property taxes June 13, landing on the sidewalk and being knocked unconscious.

Suffering lacerations to the face and hand and knee, Kottmeier was taken by ambulance to St. Elizabeth Hospital, where he remains for a week's treatment before returning home to recuperate. He asked for aid in meeting expenses incurred due to the fall.

Mrs. William Gilham, 2109 Bryan avenue, reported falling on the sidewalk in the 2100 block of Bryan avenue June 10, sustaining multiple abrasions. Alderman Walter Nann verified the injuries and urged that the city pay her medical bill. He added that the city has since repaired an uneven sidewalk area where the fall occurred.

Both requests were referred to City Attorney William Beatty for study and recommendations. Alderman Paul Rutledge noted that the city has insurance to cover injuries for which it is liable.

Alderman Arthur Wieser successfully proposed that the city advertise for bids on installing center railings on the three stairways leading into the city hall. He said the lack of railings creates a hazard, especially for older persons.

In reviewing minutes of the previous council session, council members pointed out that the minutes should list an earlier reference to the city attorney as Fred B. Wallace, 2309 Ohio avenue. Wallace's auto allegedly sustained \$158 damage in striking a hole in the street at Leonard avenue and Namekiki road.

Rutledge noted that the council had authorized a tire payment for an auto that had run over broken glass in a street, and urged that the practice be curtailed. "We will be buying three-fourths of the tires that are sold here," he commented.

Another correction in the minutes was made to show that a stop sign rather than a yield-right-of-way sign is sought to regulate eastbound traffic on 24th street at Grand avenue.

OUTING FOR CLASS
A barbecue was held at the home of Mrs. Lillie Ayres, Maryville, for members and their families of the Phebean Sunday school class of the First Baptist Church of Madison Tuesday evening.

A short business meeting was held by the members with the president, Mrs. Ozell Walton, presiding. The meeting was opened with prayer by Mrs. Lucy Bond, and Mrs. Kenneth McDaniell was in charge of the devotional. Rev. Kenneth McDaniell handled the barbecue.

Attending were Miss Nora Rogers, Mrs. Bond, Mrs. Gusie Hessman, Mrs. Georgia Brown and daughter, Karen, Mr. and Mrs. George James, Mrs. Pearl Kingsley, Mrs. Eula Lively, Mrs. Opal Fogle, Mrs. Blanche Messmer, Mrs. Veda Bolin and daughter, Dorothy, Mrs. Birtie Hobbs, Mr. and Mrs. Chester McManaway, Mr. and Mrs. Harold Ratliff, Mr. and Mrs. W. B. Mayo and son, Randy, Mrs. Othello Naeb, Mr. and Mrs. Carl Ayres, Mr. and Mrs. Sam Ayres and Mrs. William Hannebrink.

Birthdays of Mrs. McDaniell, Mrs. McManaway, Mrs. Lillie Ayres and Miss Rogers were observed, with gifts being presented by the class. The August class meeting will be held in the home of Mrs. Gerald Purcell, 1638 Sixth street, with Mrs. Nell Montgomery as co-hostess.

MRS. GREEN HOSTESS TO HAPPY-GO-LUCKIES
The Happy-Go-Luckies met in the home of Mrs. Pearl Green, 1516 Sixth street, yesterday afternoon for luncheon and games. Prizes were awarded to Mrs. Flora Putnam, Mrs. Myrna Green and Mrs. Verna Stoveroff. Others present were Mrs. Mamie DeHart, Mrs. Helen Patterson, and Mrs. Bernice McDaniel. The club is to meet on Aug. 17 with Mrs. DeHart, 1367 Edwardsville road.

TRI-CITY GROCERY CO.

EVERYDAY LOW PRICES ON YOUR EVERYDAY NEEDS

Let's have a Coffee Break!

Of all the foods and beverages consumed by man, none is more wholeheartedly hungered for than good, satisfying coffee. In 14th century Constantinople, a wife could divorce her husband for failure to supply her with coffee.

Napoleon demanded at least seven pots daily.

What a strange beverage! In the morning, a brewing cup will wake you up. At night, after-dinner coffee aids relaxation. In the winter a steaming cup brings warmth, yet in summer, coffee gives relief against extreme heat.

Tri-City Gro. Co. is coffee headquarters! You'll find the widest variety in this area on our shelves. You can grind it fresh from the whole bean by selecting special blended Waldorf or rich, full-bodied Beauty coffee. In vacuum packed cans, we stock 9 brands; and in the fast-growing field of handy instant coffees, 50. To satisfy your coffee hunger, no need to fly to Brazil! Shop our shelves for the coffee roast which suits your taste.

Bridal Shower Compliments Miss Holder

Miss Patricia Holder, who will be married Aug. 6 to James Wickman, was complimented at a miscellaneous bridal shower on Tuesday evening, given in her honor by Miss Mary Grace Edlshen, Miss Carol Childers, Mrs. Violet Holder and Miss Carol Holder.

A cascade of white, pink and blue streamers, suspended from a large pink umbrella adorned with clusters of fresh pink-tinted carnations, was used as a canopy for the gift table, with the same pastel shades predominately displayed in the refreshment table appointments.

Many gifts were presented to the bride-to-be, whose wedding will take place at Sacred Heart Church. She is the daughter of Mrs. Ruby Holder, 3116 Aubrey avenue. The prospective bridegroom's father, Bernard Wickman, resides at 2621 Madison avenue.

After the package was opened, games were directed by the hostess, with prizes awarded to Mrs. Jeanette Holder, Miss Helen Graham, St. Louis, Mrs. Arlene Morley and Miss Mildred Zekovich.

Other guests present, were Miss Barbara Reichen, Mrs. Margaret DeLuntz, Mrs. Jacqueline Rains of Edwardsville, Mrs. Betty Cook, Mrs. Mary Lou Rogers, Mrs. News Abernathy and the mother of the bride-to-be, Mrs. Ruby Holder.

Baton Twirlers Win In State Competition

Local baton twirlers returned this week from a 11-day tour of contests sponsored by the National Baton Twirling Association, including the Illinois state contest held in Aurora, Ill. They were accompanied by Miss Marilyn Champion, instructor. Out of the top eight winners in the state, six were local girls.

Linda Ohms, juvenile state champion, daughter of Mr. and Mrs. Ray Ohms, 2227 Lincoln avenue, received 11 first place trophies and numerous medals in fancy, strutting, military and flag swinging. Carol Ann Biggs, nine, daughter of Mrs. Pat Biggs, 2564 Center street, second in the state, also won five first trophies, five second trophies and medals.

Debbie Johnson, six, daughter of Mr. and Mrs. Ed Johnson, 2131 Missouri avenue, received six first trophies, three seconds and one third.

Debbi Presley, six, daughter of Mr. and Mrs. Boyd Presley, Route One, won three firsts and six seconds.

Brenda Sorenson, 10, whose parents are Mr. and Mrs. Clarence Sorenson, 3812 Kirkpatrick Homes, won sixth in the state, while Judy Lou Jakich, placed third. Mary Frances Beresky, seventh, and Marilyn Wickman, 10, daughter of Mr. and Mrs. William Wickman, 2908 Wayne avenue, fifth. Twenty-three contestants 10 years and under were entered in the juvenile division.

In an open contest in Aurora, Marilyn Wickman placed first, with Brenda Sorenson second in advanced 10-year-olds. Other cities visited were Rock Island, Iowa City, Morrison, Mount Carroll, Brookfield, Sterling, Evergreen Park, Ill. and Wisconsin Dells, Wis.

Hope Lutheran Will Install Rev. Buls Sunday

The Rev. Alfred Buls will be installed Sunday evening as pastor of Hope Lutheran Church during a ceremony conducted by other Lutheran pastors in the area.

Rev. Arvin Twietmeyer, pastor of Concordia Lutheran Church, who has been serving as interim pastor of Hope Lutheran since the departure of Rev. G. K. Schmidt last year, is directing preparations for the installation and reception.

For the past four years, Rev. Buls has been pastor of Trinity Lutheran Church, Nashville. He was recently elected president of the 40,000-member Southern Illinois District of the Lutheran Church, Missouri Synod.

MINISTER AND FAMILY RETURN HOME

After spending three weeks vacation in Tallahassee, Fla., at the home of relatives, Rev. and Mrs. Samuel Boda and children, Phyllis Ann, James, Ellen and Luther, arrived home on Tuesday evening.

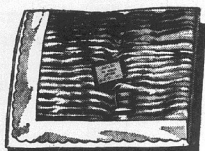

While away, the family enjoyed motoring trips to Panama City, Fla., and to Thomasville, Georgia.

RETURN FROM COLORADO
Mr. and Mrs. W. J. Steele, 3703 N. Main road, and Mr. and Mrs. Everett Steele, 3306 Wilshire drive, returned this week from a two-week tour of Colorado. They visited Colorado Springs, the Air Force Academy there and Denver one week and spent the other week at Estes Park.

Grand Opening

OF THE STORE YOU ASKED FOR!

After we rebuilt in 1955 with double our former store space, it was not long before it became evident that our facilities were not large enough. We knew that we would have to expand as soon as it was possible to do so. Well, now we've done just that. And we had asked you, our customers, what you thought would be needed and what could contribute to your shopping ease and comfort. These are the things you asked for - - and they are the things we based our remodeling program on. So come down during our Grand Opening and enjoy the free grocery specials and low, low prices and see the Store You Asked For - - including

1. Wider, roomier aisles.
2. More frozen foods for easy meals.
3. More self service meats for speedier shopping.
4. A bigger produce area.

5. More check-out room.
6. Larger cart area with more carts.
7. Larger expanded grocery area with more values.
8. "Magic Eye" doors for effortless entry and exit.

Rev. Micek Named To Fourth Degree Post

Rev. Sylvester Micek, assistant pastor of St. Mary's Catholic Church in Madison, was named faithful friar of the fourth degree of Knights of Columbus Council 1098 last night at the council home, 2052 Edison avenue.

Major committees of the Catholic men's organization will be appointed during a regular meeting next month. It was announced that the fourth degree's share of profits from a food stand operated at Wilson Park during the July 4th celebration amounted to \$156, all 30.

Granite City PRESS-RECORD Page 22 Thurs., July 21, 1960

of which will be placed in the organization's charity fund. The council's fourth degree members will serve as a special honor guard in Belleville the evening of Aug. 5, where ceremonies will mark the closing of the Our Lady of the Snows Novena.

Overweight Truck Charge
Charged by Madison police with driving an overweight truck on Third Street at 10:40 a.m. Tuesday, James Edward Bruckman, 35, Schneider, Ind., posted \$10 bond pending a hearing July 21.

Enters Hospital

Wilbur Walkenbach, 57, of 2201 Edna street, has entered St. John's Hospital, St. Louis, for treatment of a heart and lung condition.

Temporary Police Work

Theodore Skoklo, 1026 Madison avenue, former county deputy sheriff, has been employed for temporary service by the Madison police department while a regular officer is ill.

"To Bowdlerize" is to eliminate passages considered indecent in literary compositions. It derives from Dr. Thomas Bowdler's "family" edition of Shakespeare in 1818.

only your local stores give instant delivery and service . . .

We don't believe you gain anything at all by driving long distances to shop at BIG CITY stores. Our local sources have merchandise that's just as good and costs no more.

But merely for the sake of argument, suppose you do save a few dollars on a time-consuming trip many miles from home. And suppose you don't even count the cost of gasoline and oil, car wear, parking fees, etc. Forget, too, if you like, the hazards of driving in today's heavy highway and city traffic.

But don't overlook these things: What you buy here

can be in your home in a few minutes — no waiting several days for delivery. And if the merchandise doesn't give full satisfaction, any needed service or adjustment of the purchase can be made without shipping the items back to the BIG CITY or being forced to make a second trip yourself.

Why drive scores of miles looking for trouble? Shop right around the corner and be safe and satisfied.

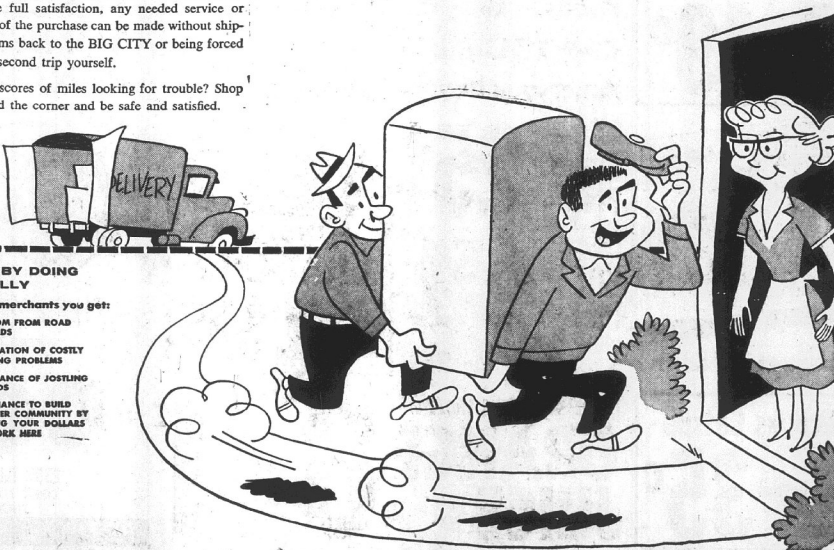

- HERE'S HOW YOU BENEFIT BY DOING ALL YOUR SHOPPING LOCALLY**
- When you buy from your hometown merchants you get:
1. HONEST VALUES
 2. AMPLE SELECTION
 3. INSTANT DELIVERY, SERVICE AND ADJUSTMENT
 4. MORE PERSONAL AND FRIENDLIER TREATMENT
 5. SAVING OF TIME
 6. RELIEF FROM COSTLY TRAVEL
 7. FREEDOM FROM ROAD HAZARDS
 8. ELIMINATION OF COSTLY PARKING PROBLEMS
 9. AVOIDANCE OF JOSTLING CROWDS
 10. THE CHANCE TO BUILD A BETTER COMMUNITY BY PUTTING YOUR DOLLARS TO WORK HERE

THIS MESSAGE BROUGHT TO YOU AS A PUBLIC SERVICE BY

Granite City Press Record

Quad-City store services are for you. If you have any suggestions on how these services can be improved, please call the offices of the Associated Retailers, TR. 6-4424.

County Fair To Open Next Week

Entries for the 1960 Madison County Fair will be received at the Rogier Insurance Office, 1016 Laurel Street, Highland, starting this week, with daily hours from 9 to 5. Entries in all departments except livestock and poultry will close Friday at 5 p. m. Entries for the remaining two divisions will be received until Saturday at 5 p. m.

The fair is open to all competitors, but the junior show and 4-H club show are open for Madison county residents only. Roger Kesner, secretary of the fair association, will handle requests for entry blanks and premium lists made through the mail.

The fair this year will run from next Tuesday, through Saturday, July 30. In the past, the annual event was held during the first week in August from Wednesday through Sunday.

Four-H Club members will show their exhibits and have them judged on July 26, the opening day.

An added 4-H feature this year will be a horse show. Four 4-H saddle clubs have been formed in Madison County — Edwardsville, Alhambra, Bethalto and Highland. These members will compete in various western and society show horse events, and members of the Highland club will give a special exhibition of team drills and jumping. The horse show is expected to start about 2:30 p. m. in the arena.

Arena Attractions
There will be attractions in the arena each evening and on two afternoons. The fair will open Tuesday night with a stage show and fireworks. On Wednesday night, drivers will put on a two-hour thrill show in their sports cars. Last year, the same show was booked but was rained out, so fair officials contracted for the same 28-act show this year.

Thursday and Friday afternoons and evenings will feature Ed and Wilma O'Leary's ice skating show. The troupe will set up its own ice rink.

3000-Seat Grandstand
When "Adventures on Ice" was booked in January, officers of the association saw movies of the show and were immediately impressed. The ice skating officers, however, were dubious about booking a town of this size, and only after seeing pictures of the 3000-seat, concrete, roofed grandstand, were they ready to sign the two-day, four-show contract.

The Saturday night show will be stock car races.
More commercial exhibits have been contracted for than ever before. Livestock and general arts superintendents expect the same condition in their departments.

Speeding Ticket

Melvin Copeland, 18, Mitchell, was issued an arrest notice by Granite City police at 7:50 a. m. yesterday for speeding at 29th street and Madison avenue. He posted his drivers license as bond.

Excess Speed Charged

Marion Boling, 23, of 1833 Alton avenue, Madison, was issued an arrest ticket at 10:06 p. m. yesterday for driving 45 mph in a 45 zone on Edwardsville road at 13th street. He posted his driver's license as bond.

Stop Sign Charge

Winston C. Ruffelt, 27, of 1610 East 23rd street was arrested at 9:50 p. m. yesterday by Granite City police for running a stop sign at East 23rd street and Nameoki road. He posted \$11 cash bond.

RICE IS TEMPTING THE HAWAIIAN WAY

Everybody likes fried rice, but we have credit our 50th State with an inspired version of this popular dish. This fried rice is so delicious, it walks off with main course honors, for it is served in a mound atop broiled pineapple rings and garnished with shakers of bacon.

You'll never guess such good eating could be prepared so easily. Cooked rice is added to onions and celery, which have been sautéed in the bacon drippings, along with mushrooms and a generous seasoning of soy sauce. Stir in an egg, and you are ready to serve.

This recipe offers a practical use, too, for any leftover rice you may have on hand. Rice, you know, will keep nicely in the refrigerator for several days.

We suspect that Fried Rice Hawaiian will be such a family favorite, that you will be cooking rice especially for this dish.

FRIED RICE HAWAIIAN
3 tablespoons bacon drippings
1 cup chopped green onions and tops
1 cup diced celery
1 cup sliced mushrooms
2 cups cooked rice
2 tablespoons soy sauce
1 egg, slightly beaten
8 pineapple rings, broiled
16 slices crisp cooked bacon

Heat bacon drippings in skillet. Add green onions and celery. Cook until almost tender. Add mushrooms, rice and soy sauce. Cook 10 minutes on low heat, stirring occasionally.
Stir in beaten egg and cook only until egg is done.
Serve mounds of fried rice on broiled pineapple rings with shakers of bacon. Makes 4 servings.

Miss Clark In Miami, Plans Nassau Trip

Miss Marie Clark, 2663 Washington avenue, president of the Stenotypists of America, is in Miami Beach, Fla., attending the ninth annual seminar of the Associated Stenotypists of America.

She will also attend the 27th annual convention of the Stenotypists of America July 22-24 at the same location, the Deauville Hotel.

Immediately after adjournment of the convention on Sunday morning, Miss Clark and other stenotypists will fly by clipper to Nassau, where they will stay at the British Colonial Hotel until Tuesday.

Miss Clark is court reporter for Circuit Judge Harold R. Clark at Edwardsville.

The seminar which she is now attending is for stenotypists-machine shorthand writers. Various speed championships will be on hand to offer tips on acquiring greater proficiency with mechanical devices.

At the annual ASA convention, speed contests will be held and achievement examinations will be given. Optional sight-seeing tours of the Miami area will be conducted for non-competitors.

Miss Clark expects to leave for her return trip to Granite City next week.

Chosen To Dance In 'Red Mill' At Municipal Opera

Selected for his ability at tap dancing, Al Stevens, seven-year-old son of Mr. and Mrs. Albert L. Stevens Jr., 2510a Edison avenue, has been named to the dancing chorus of the St. Louis Municipal Opera's production "The Red Mill" which starts Aug. 14 in the Forest Park open-air theatre.

Nine boys and 24 girls between the ages of seven and 13 were chosen for the chorus after four and a half hours of rigorous dance elimination auditions.

The youngest, who has been dancing since the tender age of three, when he made his first public appearance at the Forest Park Highlands, also in a week-long musical show, received his first tap dancing lessons from his mother, who operates the Jerry Green School of Dancing in Granite City, at the age of two.

He has appeared on the Russ David "Funfair" television show and last year at the Illinois State Fair in Springfield. Numerous other engagements have been booked for him by his theatrical agents, Ted Tillman of St. Louis and Chaw Menck of Staunton, Ill.

On July 24 he will be seen in a specialty dance number on board the S. S. Admiral and local musical-show goers will recognize him in the "Music Under the Stars" production to be given at Wilson Park on the evenings of July 25 and 26. He

SELECTED for a special dancing chorus, seven-year-old Al Stevens, son of Mr. and Mrs. Albert L. Stevens Jr., 2510a Edison avenue, will appear in the St. Louis Municipal Opera's production of "The Red Mill" in August.

also studies dramatics and singing. He will enter the second grade at Niedringhaus school next fall.

\$11,285 Spent By Red Cross In Year

A financial report for the Tri-City chapter of the American Red Cross shows total expenditures for the 1959-60 fiscal year of \$11,285. Mrs. Anna W. Grosse, treasurer, has announced.

The expenditures consisted of uncollectible home service loans, \$308; home service grants, \$98; home service expenses, \$198; volunteer service, \$174; blood, \$205; first-aid and water safety, \$83; and general management, \$10,217.

The balance on hand was \$4545 at the close of the year June 30.

SIU Guidance Tests

For Freshmen Tomorrow

Students planning to enter Southern Illinois University this fall may take guidance tests tomorrow at the SIU centers in Alton, and East St. Louis. The tests are open to prospective freshmen whether or not they have applied for admission to SIU. They will be repeated Aug. 20 in Alton.

Designed to aid faculty members in counseling students, the tests are used as a basis to award scholarships and to section English and mathematics classes. Dr. Howard V. Davis, director of student affairs for the university's southwestern campus, explained. Taking the tests in advance will expedite matriculation, he said.

Child Tries To Drink Furniture Polish

Jerry Barnett, 11-month-old son of Mr. and Mrs. Jerry Barnett, 2407 Delmar avenue, is a sadder but wiser child today. He was rushed to St. Elizabeth Hospital Monday at 5:10 p.m. after his mother, Wilma, found him drinking furniture polish.

Admitted for observation, the child is in fair condition. Mrs. Barnett said she had placed an unopened bottle of liquid wax on a low end-table in the sitting room where she had been working. It was when the telephone was kept. She stepped into an adjoining room for a moment, leaving the baby unattended. Then she heard a jangling sound coming from the room where Jerry was crawling about.

Investigating, she found her son struggling with the telephone cord and the furniture polish spilled over the table and on the baby. He was tasting it, Mrs. Barnett's sister related.

SURPRISE DON VOYAGE

PARTY FOR UNCLE

Mr. and Mrs. Harold Schmidt, 2529 Grand avenue, entertained with a surprise don voyage dinner party Sunday afternoon in honor of Mrs. Schmidt's uncle, Albert Pais of St. Louis, who will leave July 20 on board the U.S.S. United States for Europe.

Highlighting his trip abroad will be a visit to Aurozo, Italy, where Pais was born. He will stay with his brother, whom he has not seen for 35 years. Pais also will visit Paris, Venice, Milan and Rome before returning home.

A red and white color scheme was used throughout the dinner table decor, with bouquets of contrasting garden flowers at the table's centerpiece and about the room.

A large loaf cake decorated with a replica of an ocean liner was the focal point for the serving table. Those honoring Pais included Mr. and Mrs. Harry Serfas, Mrs. Dorothy Young, Mr. and Mrs. Donald Coleman, Miss Dorothy Ann Serfas and Misses Kathy and Linda Schmidt.

PLAN AQUATIC NIGHT

An "aquatic night" in August is being planned as part of the activities during the second half of the 1960 swimming season at the Facilities pool on Johnson road. The program will include festivities originally scheduled for the Fourth of July observance, which was canceled by the weather.

"Teenage night" was observed last night, when teenagers only were admitted to the pool. Mrs. Donna Hogan currently is leading preparations for a Labor Day program to mark the closing of the season.

Paul Morris, vice-president in charge of operations, has announced that more sunbaths will be made as soon as help is obtained. He said a bench may be made out of a former diving board. President Morris said Mrs. Bridget and reports that more trees and shrubs are needed to replace those that have been damaged.

24-HOUR TOWING — ASK FOR ANDY & JOHNNY'S BODY SHOP WRECKERS, TR. 7-1063.

Approximately 160 members and guests attended the annual picnic of the Bow Line Boat Club Sunday afternoon. The boat club grounds near the entrance to the Hartford Canal pub commodore Ray Simmons reported.

Following a covered dish picnic dinner, approximately 40 boats took part in an afternoon cruise up the Missouri River, which included a stop at a river snail for a softball game.

GIRLS RETURN FROM CYO CAMP

Miss Donna Lombardi, 2104 Amos ave., Miss Nancy Drew, 2212 Richmond ave., and Miss Cindy Archison of Danville, Ill., returned Saturday from the CYO Camp Star of the Sea in Springfield, Ill. Cindy will spend a week at the Drew home before returning to Springfield. Her family are former residents of Granite City.

Susan and Lynn Sablin, daughters of Mr. and Mrs. Lewis Sablin, 1803 Spring avenue, returned home Sunday afternoon from a week's vacation with their grandmother, Mrs. Sylvia Sablin in Flora, Ill.

Plan Property Tax Levy On Only 54% of Madison Budget

Only 54 percent of Madison's 1960-61 approved city budget of \$262,120 will come from the general corporate purposes levy and special tax levies passed by the city council.

The property tax levies total \$205,058.

The remaining \$117,071 needed to balance the Madison book will come from anticipated revenue of \$100,000 in Chain of Rocks Bridge receipts, about \$40,000 in city sales tax income, \$30,000 as the city's proportionate share of Venice township road tax, and bridge funds, and \$28,071 hydrant rental — a \$380 budget

HONOR DAUGHTER ON BIRTHDAY

Mr. and Mrs. Rod Marcus, 1363 Norwood drive, honored their daughter, Vicki, on her fifth birthday with a party Sunday afternoon at Wilson Park.

Refreshments of ice cream and cake were served by the hostess to Mr. and Mrs. Fred Tankless, Sr. and children, Barbara and Fred Jr., maternal grandparents, Mr. and Mrs. John Maynard and children Susan, Nancy and Bruce, Mr. and Mrs. Billy Devere and sons, Craig and Steven, Mrs. Loreta Marcus and daughters, Diane and Karen, Mrs. Eunice Whitwell and children, Sally David and Betty Lou, Mrs. Norma Talbert and children, Robert and Deedee, Mrs. Wilma Roloff and daughter, Delby, Mrs. DeLores McGarvey and daughter, Darla and Marla, and Darla Marcus.

The children spent the remainder of the afternoon playing on the playground equipment at the park.

FATHER OF LOCAL WOMAN PASSES AWAY

Mrs. Louise Seary Brown, 816 24th street, returned home Tuesday evening from Cape Girardeau, Mo., after attending the funeral the previous day of her father, Steven L. Seary, 80 who died July 15 at St. Francis Hospital. He had been ill with cancer for several months. His family founded Seary, Arty, which bears the family name and it is one of the oldest families in the state.

160 ATTEND BOY LINK BOAT CLUB PICNIC

Approximately 160 members and guests attended the annual picnic of the Bow Line Boat Club Sunday afternoon. The boat club grounds near the entrance to the Hartford Canal pub commodore Ray Simmons reported.

Building Permits Total \$333,643, Trend Is Upward

New construction in Granite City zoomed to \$333,643 for the second week in July, with new permits increasing to \$333,643 the value of new building in the city this month. The increase is several hundred percent over the first week's total of \$28,515.

The largest single permit was for the construction of six new dwellings to cost total of \$74,400, obtained by Cooper-Homes Inc. Each is to contain five rooms and located on North aluminum siding, and they will be erected on Terminal avenue in subdivision No. 8.

Two permits were issued to Air Products Co., one for installation of the steel superstructure of a building at 2500 Monroe avenue, costing \$49,529 with Stupp Brothers Bridge & Iron Co. as contractor, and one at \$30,000 providing for extension of utilities from the Monroe way, approximately 100 ft. Washington avenue, M. H. Wolf and Co. will be contractor for the utilities installation.

A new church to cost \$40,000 will be installed in the 2100 block of Clark avenue, according to a permit issued Sept. William Tyler for the Church of Christ. Specifications include 12 rooms, two restrooms, brick veneer exterior, and dimensions of 80' x 60', with height of 20' 8".

Five other permits were issued for new dwellings to cost a total of \$85,800. Edward E. Mueller obtained a permit to erect a \$16,000 brick veneer home with six rooms at 2113 Richmond avenue, with Jim Py contractor, and Henry Ross, contractor, was issued permits to erect four homes in Westchester subdivision and another on State street.

The four will be located on Devon Hill Lane two costing \$17,800 and containing six rooms and bath, brick veneer and one costing \$15,500, also six rooms and bath, brick veneer. A fifth will be located at 2003 State street, cost \$15,500, and be finished in brick veneer.

Home improvement permits issued last week numbered 17 and went to the following: James L. Greenlee, \$1000 for a garage at 1213 West Pontoon; Joe Arati Jr., \$2000 for a garage at 2021 Edgewood ave.; Frank Rippe, \$1200 for a garage at 1745 State street; Richard E. Kazy, \$606 for a carport and storage area at 3008 Wood avenue; Arthur Kesch, \$500 for a garage at 2645 E. 28th street; Robert Bishop, \$1500 for a carport at 217 Biardell ave.

Herman Chadwick, \$200 for additions to a garage at 2657 East 24th street; William H. Berry, \$500 for a roof over a carport at 3708 Johnson road; Norman McMahon, \$200 for a carport at 2025 Dewey avenue; Hobart Dix, \$745 to install aluminum siding at 2656 East 24th street; S. E. Wright \$1000 to remodel and porch add at 2072 Fourteenth street; John Kieri, \$1000 to remodel porch at 2032 Thirteenth street; John Ham, \$500 to erect a back porch at 2108 Elm street; N. L. Vollmer, \$150 for general porch repairs at 2721 Washington avenue; William Kozayak \$450 to erect a trash burner at 2000 Nameoki road; Earl Robinson, \$2000 to remodel and male additions at 2648 Madison avenue; and Edward Andrews, \$1000 for asbestos siding at 2111 East 20th street.

Two additional permits went to the Leader department store for remodeling of an elevator at 19th and State streets, to cost \$2800; and to James Gluski for a store addition at 1922 State street, costing \$5000.

Falls Into Ceiling

A vandal who entered the attic and apparently fell partly through the ceiling damaged the St. John's Lutheran Church parsonage under construction at St. John and Dale avenues. It was reported to Granite City police Monday. Fresh plaster in the dining room ceiling had been broken out sometime during the previous night.

ARTHROSITIS?

I have been wonderfully blessed in being able to return to active life after suffering from head to foot with muscular soreness and pain. Most all joints seemed affected. According to medical diagnosis I had Rheumatoid Arthritis, Rheumatism and Buritis. For free information write:

Miller.

Cut Wrist Of Child

Requires Four Stitches

Julie Forays, 16-month-old daughter of Mr. and Mrs. Eugene Forays, 2000 Lincoln avenue, suffered lacerations of the left wrist when she fell on broken glass Monday afternoon.

Taken to the St. Elizabeth Hospital emergency room at 3:15 p. m., she received first aid to close the wound, and later was released.

Rock Throwers Reported

Boys throwing rocks and damaging property at 1718 Grand avenue were reported to Granite City police at 3:15 p. m. Monday. Police contacted the boys and advised them to stop.

Not a single cracked egg since Chevy took over the route

That '60 Fleetside pickup you see takes whatever kind of road comes along, and makes about 250 stops a day delivering eggs house to house for Mr. Harry Hansen of Missoula, Montana.

"With my previous truck," Mr. Hansen writes, "I always had some cracked eggs. Cargo damage always cut into my profits. But the new Chevy eliminated that problem completely. I haven't had one cracked egg with my new truck and I've had up to a ton of eggs in it without any difficulty. . . I didn't know a truck could ride so nice."

Chevy rides nice, all right; takes good care of fragile cargoes. But that's not even the half of it. Torsion-spring suspension also means longer life for the truck, extra thousands of working miles, because the sheet metal and body components take less of a beating. You can run off-road or over back trails at faster mile speeds, too; get in more trips a day, make more money. Those facts are as true as the big Chevrolet heavyweights as they are of the pickups. Any model you name. Get one on your job and you've got the world's most efficient, most economical way to haul any load over any road. Your dealer will be happy to prove that statement any day you say.

"I'm getting close to 20 miles to the gallon," Mr. Hansen states, "and that's on stop-and-go delivery."

Local Child Aid Group To Hear Psychologist

Ray Rhine, youth psychologist for Madison county schools, will be the guest speaker at a meeting of the Granite City Association for Aid to Retarded Children, scheduled at 7:30 p.m. Monday at St. John United Church of Christ on Nameoki road.

A former Granite Cityan, Rhine was previously associated with psychological services in the Chicago school system. He will discuss his work with retarded children in Madison county.

Mrs. Helen DeRuntz, president of the association, said the public is invited to attend the meeting.

Miss Markuly To Leave For Science Course

Cecilia Markuly, daughter of Mr. and Mrs. Alex Markuly, 917 Madison avenue, will leave Sunday for Southern Illinois University at Carbondale to attend a course in the basic sciences, along with about 130 other high school students from throughout the country.

Miss Markuly, who will be a senior at Madison high school in the fall, will take part in a two-week course in chemistry and microbiology.

Fred Riddle Jr. of Collinsville, formerly of Madison, also will be one of the students participating. Sponsored by the National Science Foundation, the program will give chosen students of high ability a two-week course in a pair of related subjects. Units of the overall program, which began June 20 and will continue through Aug. 5, are mathematics-physics; physics-microbiology; chemistry-mathematics; physiology-health; chemistry-microbiology; botany-zoology; and geography-zoology. Some students will study two units.

The students, chosen on the basis of grades in science courses, test scores, scholastic averages and recommendations of high school principals, will study under regular faculty members. Top students in each unit are being invited to stay another week to participate in research programs being carried out by staff members.

Directing the program is Dr. Leo Kaplan, associate professor of botany.

The private apartments in the White House for use of the President, his family and their guests, contain 54 rooms and 26 baths.

Doubleheader Scheduled

the twin-bill has been upped to 11:30 p.m. The district recreation director Harold Brown said, "Two additional sets of bleachers seats have been brought in to supplement the stadium seats at the ball park. Tickets for the games, provided they have not been sold out, will be available at the gate this evening, and are priced at \$2.00." The Blues' tonight's year in review: 1980-81 season, 19-17-10. Conway, Betty Giddens and "rockers" Mike and Rita "Smooke's" Hennessey, another member of the Blues, and the "Smooke's" of the Cities.

Millie and Mickey's opponent in the second game tonight is currently leading the Class AA. Many legends are in the line-up, including a 5-5 record, and is the only undefeated team in the league.

UF Aids Hospital, Ill, Retarded, Invalids

"Just be around when I need you," Will Rogers once replied to an acquaintance who had asked how he could become the cracker-barrel philosopher's friend.

To this same end—being near and available in time of need—the United Fund group of health services has built up a record of contributions to the Quad-Cities which few friends could match.

Consisting of four areas—aid to retarded children, the health service fund, the Madison County Mental Health Society and the Visiting Nurses Association—the UF health services have answered the urgent calls of the community since their beginning a few years ago.

When, last year, the need for a local mental health clinic became obvious to most, financial support was still insufficient until the Social Planning committee of the UF helped establish the clinic, helping the health service fund in this area.

Physio-Therapy Clinic
When Sister Stanisla, St. Elizabeth Hospital's administrator, told members of the council, physio-therapy clinic was needed in the Quad-Cities, the health fund provided nearly \$10,000 for this area.

The mental health clinic presently is trying to increase its full-time staff to four members, including a psychologist and a psychiatrist. The UF budgets family size.

the clinic, to be located in the new hospital wing.

When the aged or the invalid need nursing care and treatment but are unable to pay for home visits, the Visiting Nurses Association provides nurses free of cost at a minimal cost.

When retarded children are unable to attend normal schools, aid to retarded children supplies teachers, classes, transportation and a summer day camp to insure that their education is not neglected.

Supervised by the Social Planning Council, begun in 1958 and consisting of representatives of all UF agencies plus interested citizens, the health services fund provides support for emergencies, unusual cases, research and equipment needs.

Purchase This Year
Beginning in 1958, when the need for better diagnostic equipment, it has supplied the hospital when the need arose.

This year, the fund helped for the purchase and installation of more than 15 separate items of therapy equipment, including treatment tables, infrared lamps, exercise mats and equipment, traction machines and a whirlpool bath.

Besides aiding in the start of the mental health clinic, the fund has paid medical bills of some cancer, heart disease, cystic fibrosis, polio, muscular dystrophy and multiple sclerosis victims.

Last year, 1131 visits were made to local patients by the nurses. For those able to pay for the services, fees are graduated according to income and family size.

Over 1150 Venice Car, Truck Licenses Sold

Auto and truck licenses purchased in Venice are well ahead of last year's schedule and, to date, nearly approximate 1959's total registration, Carl Buehler, Venice city controller, said this week.

Over 930 auto licenses have been recorded, or over 80% of last year's total of 1127. Truck registrations are running at an even faster pace with over 226 licenses sold compared with the 1959 total of 224.

Venice police have been issuing warnings to resident motorists during the past two weeks. As soon as construction and repair crews have completed work along Broadway and Main street, a crackdown is planned with arrest of car owners failing to have city licenses.

Smoke But No Fire At Service Station

"Where there's smoke, there's fire" is an adage that usually—but not always—comes true.

Granite City police cruising in a patrol car Monday night discovered that Bill's service station at Venice avenue and Namoki road was filled with smoke. They rushed to 2047 Lee avenue to contact the owner, Bill Burman. But he was in Collinsville.

A hurried phone call was put through to Collinsville, and a Burman's message was: No fire, just smoke. Disregard same. He said he had the station sprayed on the inside with smoke-like insecticide because of mosquitos and other insects that had been plaguing him.

plans for operating expenses while the state provides for staff salaries.

Aid To Retarded
In this area, aid to retarded children consists of classes held during the school year at the East 23rd street school, currently enrolling ten children, a two-week summer day camp held annually at Wilson Park, funds for national research on the mentally retarded; and a scholarship for a college student specializing in training of the mentally handicapped.

Classroom work is given to all who show the ability to learn, while the day camp is open to a wider group, those unable to retain knowledge but capable of responding to physical exercise.

The camp, staffed by 11 trained counselors, has steadily grown in size from 18 children in 1958 to the 38 who attended the sessions earlier this month.

Nursing Care
The last of the health service group, the Visiting Nurses Association, gives professional nursing service to those in need of home care and treatment under medical supervision. Most cases are acute or chronic illnesses, maternity care and care of the newborn.

The Quad-City area is served by local registered nurses, one at a time, who spend two-thirds of their time with area patients.

Last year, 1131 visits were made to local patients by the nurses. For those able to pay for the services, fees are graduated according to income and family size.

VISIT IN MONTANA
Mrs. Mary Carlisle and daughter, Mrs. Juanita Correll, and granddaughter, Robin, 1600 Kirkpatrick Homes, returned home Sunday after spending the past two weeks visiting her son and daughter-in-law, Mr. and Mrs. Kenny Carlisle of Billings, Mon. They also visited in Gillette, Wyo.

Mr. and Mrs. William M. Johnson of Hammond, Ind., visited over the weekend with Johnson's mother, Mrs. Minerva Johnson, 730 Twenty-sixth place.

Mr. and Mrs. Robert Pogue of Hammond, Ind., are visiting in the home of Mrs. Pogue's mother, Mrs. Dollie Johnson, 730 Twenty-sixth place.

Mr. and Mrs. C. B. Scott and daughter, Elaine, of Warren avenue have as guests Mrs. James Morris and daughters, Robin and Diana, of Mishawaka, Ind.

Mrs. Ruth Hildreth, 2025 Sixth street, Madison, entertained on Sunday Mrs. Morris and children of Mishawaka, Ind., and Mr. and Mrs. C. B. Scott and daughter, Earline.

Pete King of Annapolis, Mo., has been a guest of his brother and sister-in-law, Mr. and Mrs. Leo King, 713 Twenty-sixth street.

Mr. and Mrs. Pete King and sons, Donald and David, 713 Twenty-sixth street, had as dinner guests Sunday Mrs. Belle Sullivan of Annapolis, Mo., and Mr. and Mrs. James Child and son of St. Louis.

Mr. and Mrs. Leo G. King of the 2000 block of Cleveland blvd. spent the weekend at Annapolis, Mo.

Animal Cruelty Charged
Cruelty to an animal and disorderly conduct were the charges against James Green, 75, of 2211 Ohio avenue Monday when Granite City police served an arrest warrant at his home. He pleaded innocent and was released on \$100 property bond until a hearing.

Depot To Name Queen At Annual Picnic July 30

Plans are near completion for the U. S. Army Engineer Depot picnic which will be held Saturday, July 30, from 11 a.m. to 6 p.m. on the depot grounds.

John G. Katzman, general chairman of the picnic, said today.

Five girls, vying to reign as queen of the depot for the next year, have paraded through the grounds in open sports conversions to enable all personnel to view the candidates.

The nominees are Miss Donna Sheridan, nominated by the Box and Crate Shops, Storage Division; Miss Thelma Dugan, nominated by the Depot Property

Two-Week Training For Five At Northwestern
Two Granite City high school students attending the 31st annual National High School Institute at Northwestern University, Evanston, Ill., are part of a group of 519 participating in a five-week session ending Saturday, July 30.

Gloria Zlatz, 2656 Benjon street, and Gary Grammer, 4712 Fridley street, are both enrolled in the university's speech division. Grammer is specializing in the subject of debate, while Zlatz has confined her interest to the field of drama.

The two students are part of a group of young scholars representing 43 states and the District of Columbia who have completed their junior year of high school. They are housed in university dormitories and spend each day studying with Northwestern faculty members.

Inaugurated at Northwestern in 1930, the institute offers training in the university's schools of music, education, speech and journalism, and the technological institute.

Charged With Speeding
Charged with speeding and reckless driving Monday by Venice police, John Durey, 47, of 1215 Bissell street posted his driver's license as bond and was released pending a hearing.

Branch; Miss Nancy Riecken, nominated by the Storage Division; Miss June Neth, nominated by the Review and Analysis Branch; and Communications Branch; and Miss Gwendolyn Kelton, nominated by the 553rd Engineer Group.

Highlights of the July 30 affair will include rides on a ferris wheel, a \$3500 increase over the 1959-60 budget.

Prime factors in the budget increase are additional allowances of \$7233 for road maintenance and \$2018 for road oiling.

Refreshments will be on sale, and Topping off the Depot picnic will be the coronation ceremony.

Adoption of Road Budget Tomorrow
Highway Commissioner Frank Kincaid will take final action on the Venice township road and bridge fund budget for 1960-61 Friday at 7:30 p. m. in the township's office at 1502 Fifth street, Madison.

Prior to the commissioner's decision, however, a public hearing will be held the same day at 7 p. m.

This year's road budget figure for the township totals \$26,190, representing a \$3500 increase over the 1959-60 budget.

Prime factors in the budget increase are additional allowances of \$7233 for road maintenance and \$2018 for road oiling.

Night time's the Right time for family fun!
Outdoor lighting makes your backyard a family playground at night. What could be more ideal than a happy family cook-out, followed by horseshoes, badminton or croquet under the lights. You'll enjoy wholesome after-dark recreation at home . . . instead of paying for fun elsewhere. These days, installing floodlights in your yard is simple and inexpensive. Using the new plastic underground cable, your electrical contractor gets the job done in a jiffy. And, while you're at it, why not have him add a convenience outlet or two for the rotisserie and portable TV? Ask your contractor for an estimate today and be ready for outdoor fun at night, this summer and every summer.

ILLINOIS POWER COMPANY

Puppet Show, 500 Hats At Week's Story Hours

Attendance at the second children's story hours held this week at local public libraries was so good that it prompted Granite City Librarian Mrs. Mary Knufflin to remark today that, "if we get any more, I don't know where we'll put them!"

More than 200 children attended the Tuesday session in

Granite City, an increase of some 25% over the first week's showing of 145. Attendance at Venice story hours is running about 80.

As more children become aware of the programs, attendance is expected to increase, library personnel said.

Featured at Tuesday's 10 a.m. session at the Granite City library was "Little Red Riding Hood," the first of two puppet shows presented by Mrs. Carl Fuller. At Venice, the story of "The 500 Hats of Bartholomew Cubbins" was begun yesterday.

Mrs. Knufflin said the hour also featured the first of a story series on "Snip, Snap and Snur," about three mischievous boys. Action games and group singing, plus the story of "Examinandof & His Auntie," concluded the program.

"They had loads and loads of fun," the librarian added. Also at the Venice Library yesterday, another chapter from the Mark Twain biography "River Boy," was read by Mrs. Sybil Robbs. In keeping with the "500 hats" story, children were party headgear distributed last week at the library. Those who had no hats were given them at the story hour. Miss Catherine McGee, librarian, said.

Both the Granite City and Venice sessions begin at 10 a.m. and last one hour.

EDITORIAL

Over One-Third Of Local High School Graduates To Continue Their Education

Transcripts forwarded to universities and nursing schools this summer indicate that over one-third of the Quad-Cities' high school graduates plan to further their education. At least 170 students plan to enroll for nursing's training or college study this fall, out of a group of 507 receiving diplomas in May, June.

The trend is uniform in all three local school districts. The figures show transcripts sent by 125 of 366 seniors at Granite City high school, 31 of 99 at Madison high school and 14 of 42 at the two Venice high schools. The totals of 170 out of 507 compare with 116 out of 394 for a 29% mark a year ago.

This year's tabulation reflects increased interest in continuation of study beyond high school. College education is becoming a necessity in many fields, and it is apparent that local students recognize this fact.

Intelligent optimism is based on a long-range viewpoint and pessimism is usually generated by a short-range view.

Illinois Among Lowest In Gasoline, Cigaret Taxes, Near Top In Sales Tax

How do Illinois taxes compare with those of other states? Not too badly, a survey made this month reveals.

This state's tax of five cents on each gallon of gasoline is two cents higher than the Missouri tax, but well below most states. Many are at seven cents, with some at six and a half and others six. Out of 50 states and the District of Columbia, Illinois is tied for second lowest behind Missouri, with 40 areas higher and nine states the same, local motorists will be happy to note.

The three-cent Illinois tax on packages of cigarettes compares with such taxes as 20% in Hawaii, 15% in New Hampshire, eight cents in Texas, Montana and Louisiana and seven cents in Vermont. Only 14 states have the same or a lower cigarette tax than Illinois. On the other hand, 16 states do not levy a sales tax. They are Alaska, Delaware, Idaho, Indiana, Massachusetts, Minnesota, Montana, Nebraska, New Hampshire, New Jersey, New York, Oregon, Texas, Vermont, Virginia and Wisconsin.

Illinois is near the top with a three-and-a-half-cent sales tax, including three for the state treasury and a half-cent on the dollar for city and county governments. Pennsylvania and Washington each levy a four-cent sales tax and California has a four-cent tax that includes one cent for local governmental agencies. Of the other 31 states one has a three-and-a-half-cent tax, 16 have three cents, one has two and a half and 13 have two-cent sales taxes.

While Illinois ranks among the highest in its sales tax, it must be said in fairness to the legislature that some of the states with a lower sales tax have state income taxes to augment their revenue. In general, the survey shows that residents of this state cannot be sharply critical of their state taxation—if the line is held at present levels.

Most people forget governmental theories when they decide that some of the taxpayers' money ought to be spent for their benefit.

Zoning Changes For Apartments, Doctor's Office

Two zoning changes were approved by the city council of Granite City Monday night on the recommendation of the City Planning Commission.

Dr. E. Gale Jones was authorized to build a residence-type one-story office on a corner lot at Grand avenue at 26th street, opposite the Third Baptist Church. It will have a gable roof and will conform generally to the design of residences in the area.

The McFarland family, which operates an apartment building in the 2600 block of Madison avenue, was authorized to build another apartment structure on an adjacent vacant lot, the third from 26th street on the eastern side.

Madison

MRS. LENNA WILLIAMS
1638 Sixth Street
TR. 7-0317

Mrs. Barbara Buster and children, Terry and Kim, of Lawndale, Calif., are vacationing at the home of her parents and sisters, Mrs. John Gadwell and daughters, Beverly and Connie, 1651 Market street. The family will return to California at the end of the month.

Mrs. Lucille Thompson was among the guests attending the bridal shower given for Miss Nedra Hillman.

The two zoning changes were for R-3 single-family dwellings to C-1 commercial and R-5 multiple family dwellings.

Exploration Of Vast Reaches Of Outer Space Is Only Beginning

When there is talk of shooting a rocket toward the moon, the topic is still awe-inspiring, even though the feat is becoming somewhat commonplace. There even have been rockets to the vicinity of the sun. First reaction might be that the ultimate has been reached, that future innovations and advances will be an anti-climax.

Yet, it can be shown that even these achievements have hardly pierced the surface of the unbelievably immense universe. And history shows that even this era of enlightenment will some day appear quaint, old-fashioned and limited when compared to new concepts and knowledge.

To begin at the beginning, a discussion of the space age should encompass all of outer space. It is well known that the earth is one of nine planets that revolve in elliptical orbits around the sun. We can see five of the other eight—Mercury, Venus, Mars, Jupiter and Saturn—while Uranus, Neptune and Pluto can be viewed through a telescope.

Several of the nine planets have a moon or moons circling them. We call our sun and everything around it—planets, satellites, moons, comets, meteors and stars—the solar system. The sun and billions of other stars and suns form our galaxy.

The universe contains an undetermined but certainly large number of galaxies. Thus, even though the sun is 93,000,000 miles away from the earth, our solar system is infinitesimal when compared with the countless galaxies. There are probably millions of suns, but as yet astronomers have been unable to verify the theory that planets revolve around these other suns; we cannot see that far. The next nearest sun, after our sun, is Alpha Centauri. Both of these suns actually are stars, which can be distinguished from planets because stars twinkle or shine, depending on distance, as bright globes of intensely heated gases. Planets are solid rather than vaporous.

Just how much more will be learned this century is not certain, but it is clear that this nation and world are only at the first hesitant step in exploring outer space. The day of exploration and discovery is not an end; it is just beginning.

Exchange Of Information By Police Improves Chance Of Reducing Crime

Meetings being held every two weeks by police from this area and neighboring cities in Illinois and Missouri are proving helpful to all of the departments represented. Up-to-the-minute information on whereabouts and activities of known hoodlums and low violators is being exchanged.

This type of communication between police units is essential if the law enforcement authorities are to be successful in reducing crime and in locating criminals and obtaining evidence on them. When police departments set up barriers and do not confide in each other, the door is open for violators to skip from one community to the next, knowing that information on their activities will not catch up with them.

Since information on previous crimes, including details of the method of operation, are often vital in crime detection, close contact between departments is in the public interest. The present cooperative program already has proven successful in helping Quad-City police to carry out their work.

Circuit Court Clears 986 Cases In 6 Months

Madison county's three circuit court judges have disposed of 986 cases during the first half of 1960. Circuit Clerk Paul Tempore Eugene Berghoff has announced. As of June 30, the total pending circuit court cases stood at 1935.

Using a hypothetical work week of five days and allowing for 123 working days since Jan. 1, Circuit Court Judges James O. Monroe, J. Earl Barry and Harold R. Clark each cleared the legal docket of roughly two and two-thirds cases a day. The cases include, law, chancery, criminal and trust.

Berghoff said cases handled in the circuit court at Edwardsville have steadily increased since 1957, when a third judge was added to the bench.

Circuit court records for 1957 show a total of 1450 cases disposed of, and in 1958 the figure jumped to 1670. For the year 1959 a record 2235 judicial decisions were handed down.

Further investigation of the 1959 civil jury verdicts has revealed, the clerk said, that there were 62 verdicts for the plaintiff, 30 agreed cases, 24 decisions for the defendant, one mistrial and one "hung jury."

Jacob Tonsick, 78, Dies Of Heart Attack

Jacob (Tonic) Tonsick, 78, of 1918 Quincy street died of a heart attack at 8:30 a.m. Tuesday at his home. He had been at St. Elizabeth Hospital five days, and had come home the day before the attack. An autopsy confirmed the cause of death.

Born in Yugoslavia, Mr. Tonsick was a Granite City resident for the past 53 years. Retired after 11 years' employment at the Granite City Engineer Depot, he was a member of St. Joseph's Catholic Church and Lodge Velebit 222, Croatian Fraternal Union.

He is survived by his wife, Mrs. Mary James Tonsick; and a son, Albert Tonsick of Granite City. Two other sons, Rudolph and Steve Tonsick, were killed in action during world war II. Funeral services will be held Tuesday at St. Joseph's Church. Arrangements are given in today's obituary column.

County Sanatorium May House Private Patients

Because of decreasing numbers of patients recuperating from tuberculosis at the Madison County sanatorium at Edwardsville, the third floor of the building may be converted into a convalescence ward for patients recovering from other illnesses.

The proposal was made in a report by Dr. George H. Vernon, superintendent, and medical director of the sanatorium, and is being considered by the county board's sanatorium committee, with a report to be made Aug. 10.

The convalescent unit would contain 38 beds, would be isolated from tuberculosis patients and would be filled with private patients under the care of their family physicians, according to Dr. Vernon's proposal. Some persons at the county nursing home also could be transferred, as the nursing home is considered overcrowded at present, he noted.

Dr. Vernon pointed out that the number of tuberculosis patients dropped from 56 at the end of May to 45 on June 30. During June, 13 patients were discharged, three were admitted and one died.

Endorses Bond Issue

The Collinsville Trades Council, AFL-CIO, is among the groups backing expanded higher education facilities in Madison county. It was announced today. The group endorsed a \$195,000 state university bond issue in November and said establishment of a university between the Quad-Cities and Edwardsville will be "in the best interests of labor union members."

SOCIETY

BRIDE-TO-BE, Miss Honora "Sue" Giller, whose parents, Mr. and Mrs. Jack Dickerson, 2804 Emcee street, are announcing her engagement to Elbert Dewayne Blackwell of St. Charles, Mo., son of Daily Blackwell, Warm Springs, Ark. A late summer wedding is planned by the newly betrothed couple.

WMU Circles Hold Mission Book Study

The Ruth Ford and Ann Clark circles of Emmanuel Baptist Church combined for a mission book study on Monday evening at the home of Mrs. J. L. Grand, 1616 Wilson avenue.

The hostess read excerpts from the book, "The Women's Missionary Union," written by Alma Hunt, WMU executive secretary of Birmingham, Ala., and later led the discussion period.

Following the study, the circles divided for separate business sessions, with both groups reminded of the WMU general meeting in August, which will be held in the home of Mrs. Alice Phelps on Saratoga avenue. The evening concluded with refreshments served by Mrs. L. Grand to Mrs. Miriam Sheriff, Mrs. Stella Lewis, Mrs. Daphne Harris, Mrs. Virginia Manning, Mrs. Lee Shill, Mrs. Betty Clark, Mrs. Edna Stagner, Mrs. Barbara Smith, Mrs. Evelyn Sadler, Mrs. Lucille Crews, Mrs. Harriet Brown and Mrs. Wanda Atwood, WMU president.

MR. HUBERT FYFFE JR., the former Miss Patricia Ann Boyle, whose wedding took place July 16 at the Hotel Sheraton-Jefferson, St. Louis, she is the daughter of Mr. and Mrs. Charles Boyle, 2517 Adams street. The bridegroom's parents reside in Portsmouth, O.

Honored At Birthday Dinner

Charles Luehman sr. was honored at a birthday party Monday, given in their home on Rural Route Two by his wife and family.

The honored guest received many gifts and, following the dinner, a social time was enjoyed by the guests.

Among those present were his son, Charles Luehman jr., son and daughter-in-law, Mr. and Mrs. Earl Luehman and grandsons, Earl Jr., Jeffrey and Timothy, his daughter, Miss Gloria Luehman, Mr. and Mrs. Joseph P. Robbers, Mrs. Ruby Bell and William Gaumer, all of Granite City; Mrs. Rose Schank, Venice; and Peter Pruetzel, Collinsville.

FIRST GREAT-GRANDCHILD FOR MRS. SCHOOLEY
Mrs. William M. Schooley, 2246 Cleveland blvd., received word this week of the birth of a great-granddaughter, Cathryn Leigh Sandorff, at Munich, Germany, July 6. The infant, who weighed five pounds and eight ounces, is the first child for Mr. and Mrs. Carl H. Sandorff, who are stationed at the U. S. Army Base, Dachau, Germany.

The mother is the former Miss Barbara Jean Schooley, whose parents, Mr. and Mrs. Hugh D. Schooley, reside in Kemmerer, Wyo. The latter flew over to Germany three weeks ago and will remain with her son-in-law daughter and new grandchild until the end of August. The Sandorffs have lived in Europe for the past 16 months.

FLORIDA VACATION
Miss Helen Sudholt, 1534 Niedringhaus avenue, arrived home this week from Florida, where she had enjoyed a two-week holiday at Fort Lauderdale and Miami. She was accompanied by three St. Louis friends, Miss Nancy Tessler, Miss Katherine Kennedy and Miss Tammye Hutchins.

VISIT IN ARKANSAS
Mr. and Mrs. James E. Baskette, 2014 Grand avenue, are home again following a week's holiday at Lake Hamilton, Ark. where they were house guests of Mr. and Mrs. J. A. Tolton.

AUGUST BRIDE-TO-BE, Miss Thelma Maxine Bray, whose engagement and forthcoming marriage to Petty Officer Gary Gene Barnstable is announced by her parents, Mr. and Mrs. Julius Bray of Corpus Christi, Tex. Her fiancé is the son of Mrs. Frances Barnstable, 2829 W. 22nd street.

Gary Barnstable To Be Wed In Texas

The betrothal and forthcoming marriage of Miss Thelma Maxine Bray to Petty Officer Third-Class Gary Gene Barnstable of Granite City was announced this week by her parents, Mr. and Mrs. Julius Bray, 1125 Airline road, Corpus Christi, Texas. The ceremony will take place Aug. 8 in the bride-to-be's home in Corpus Christi.

Her fiancé's mother, Mrs. Frances Barnstable, who resides at 2829 West 22nd street, will leave next week for Texas to attend the wedding.

Petty Officer Barnstable, who is presently serving in the aerodynamics division at Corpus Christi Naval Base, attended Granite City high school prior to his enlistment in the Navy three years ago.

Following the wedding, the newweds will spend a short time visiting in Granite City. On returning to Texas, they immediately will embark for Hawaii where Barnstable will continue his tour of duty.

Old-Fashioned Picnic Planned

An "old fashioned" picnic will be held Sunday afternoon for the congregation of the First Presbyterian Church, with members gathering at the Niedringhaus school site of Wilson Park at 1 p.m.

Families will bring a basket lunch for themselves, while soda will be provided by the church. An afternoon of fellowship including community singing under the leadership of Jack Johnson, is being planned by the arrangement committee headed by Mrs. Ruth Huggins.

Assisting Mrs. Huggins are Mr. and Mrs. Tom Teague, Mr. and Mrs. Lewis Van, Mrs. Mary Lane Wade and Mrs. Charlotte Griffiths. The event was previously scheduled for earlier this month, but inclement weather forced a postponement until this Sunday.

TRY A CLASSIFIED AD

MISS GERALDINE ELAINE HALL, whose engagement to Bernard A. Bargiel is announced this week by her parents, Mr. and Mrs. Charles Hall, 2120 Hildebrand avenue, Cloverleaf Addition, Madison, have announced the betrothal and forthcoming marriage of their daughter, Miss Geraldine Elaine Hall, to Bernard A. Bargiel, son of Mr. and Mrs. Walter Bargiel, 3023 Collinsville avenue, Cloverleaf Addition.

The newly-engaged couple plans to be married Oct. 15 at St. Mary's Catholic Church, Madison.

The bride-to-be graduated from Madison high school in June 1959 and is presently employed at the St. Louis Union Trust Co., St. Louis. Her fiancé is employed at the Western Union Co., St. Louis office.

CHOSEN TO represent the Granite City high school chapter of Future Homemakers of America, Miss Norma Edwards will attend the 20th annual State Leadership Conference July 25 through July 29 in Bloomington, Ill.

Miss Edwards Chosen To Attend FHA Conference

The Granite City Chapter of Future Homemakers of America has named Miss Norma Edwards, chapter president, as its official delegate to the 20th Annual State Leadership Conference, to be held at East Bay Camp, Lake Bloomington, Bloomington, Ill., July 25-29.

Miss Edwards, whose parents, Mr. and Mrs. Lloyd Edwards reside at 2559 Edwards street, will begin her senior year at Granite City high school in September. Her special duties at the 1960 conference will include serving as a "trooper" or messenger and a participant in a discussion group.

The Future Homemakers of America is a national organization of students studying home-making in junior and senior high schools. The Illinois association has a membership of 28,900 comprising 592 chapters, with at least 550 delegates scheduled to attend the conference.

Activities and programs are planned and carried out by teenagers themselves in all phases of the five-day event. This year's theme, "Our Platform—FHA," is designed to help delegates further develop leadership abilities, exchange ideas with delegates from other Illinois chapters and find ways of furthering local chapter development.

Miss Hetty Pick, Granite City high school teacher, is sponsor of the local chapter.

Charter Sunday Planned For Ladies Aid
The Ladies Aid of United Lutheran Church was entertained for the July meeting Tuesday evening in the home of Mrs. Ida Joost, 2753 Sunset drive.

Rev. B. H. Mehlung, pastor of the newly-established church, which is temporarily quartered in the Odd Fellows hall, 20th street and Grand avenue, offered the devotions. He later presented a program on "Stewardship and Mission Work" illustrating his topic with color slides.

The business session was conducted by Mrs. Joost, president, with plans completed for installation of the group's executives during a special service Aug. 28, which has been designated as "Charter Sunday" for official membership of the Ladies Aid. Rev. Mehlung will serve as installing officer.

A fellowship hour was enjoyed, with refreshments served by the hostess to five members. Mrs. Frances Lawler invited the ladies to meet with her on Aug. 17 at her home, 2901 Dogwood drive, for the next regular meeting.

LEAVING FOR SIU
Mrs. Mary Fuller Batson, 3117 Aubrey avenue, will leave this weekend for Southern Illinois University, Carbondale, where she will continue her studies in advanced cosmetology for the third successive year. Graduation exercises are scheduled for Aug. 3 at Carbondale, where the final session will conclude. Mrs. Batson is junior vocational instructor at S. W. Olm Vocational high school, Alton.

MOTORING HOLIDAY FOR TWO LOCAL FAMILIES
Mr. and Mrs. Charles Papp and son, Charles, 2330 Hodges avenue, and Mr. and Mrs. John Kovach and son, Goggy, 3612 Adams street, arrived home this week following a motoring trip through Indiana, Minnesota and northern Illinois.

The two families visited friends and relatives in the Chicago area and elsewhere during their fortnight holiday, which also includes a successful fishing expedition in Minnesota.

WORLD ALLIANCE PROGRAM
The Young Women's Auxiliary of Second Baptist church met Tuesday evening at the home of the leader, Mrs. Mela Roberts, 2241 Monroe street, who led a program on the Baptist World Alliance.

Taking part were Medames LaVerne Grote, Jo Marie Cook, Wilma Chaffy, Janette Warn- Others present: hof, Kay BeVill and Betty Rains. Others present were Ruth Ann Showers and a former member who was a recent bride, Mrs. Loretta Shaver Lewis. Refreshments were served.

Lloyd Spencer Primary Sunbeams met Tuesday afternoon at Second Baptist Church. On display were pictures and posters of missionaries and good will letters.

Eight-year-olds completed their work on a good will letter which included painting it, making a playground and creating paper figures of missionaries.

Songs were sung and prayers were given by Mrs. Betty Lewis, who told the story of "The Christmas Choir." Each member brought canned goods for a basket that was given to a family whose father has been ill.

The closing prayers were given by Nancy Newberry and Miss Clements. Others present were Danny Penrod, Susan Anderson, Connie Wigger, Cheryl Hancock, Dale Cann, Phyllis Graham, Bruce Freeman, Donna Mills, Diane Olive, Kathy Farley, Lester Davis Jr. and Mary and Oscar Tooley. A visitor was Gary Lewis, and a new member accepted was Dwight Grizzard.

Mr. and Mrs. Frank Broadway and daughters, Misses Irene and Lillian Broadway, returned during the weekend from a week's vacation in Tennessee and southern Illinois.

They were accompanied by the James' father, C. A. James of Mill Springs, Mo.

Karen Landers, daughter of Mr. and Mrs. Delbert Landers, 2223 (rear) Illinois avenue, left by plane Tuesday night to join her grandparents, Mr. and Mrs. Moss Parsons, Denver, Colo., for the remainder of the summer.

GOLD MEDAL KITCHEN AWARDS are shown being presented to Henry Ross, contractor, inside the all-electric Gold Medal home at 2204 Johnson road at a ribbon-cutting ceremony. Public display of the home began this week, with 1600 persons making the tour on the initial day of a six-month showing. Those pictured (left to right) are: E. G. Schmitt, Illinois Power Co. service area manager, presenting a framed certificate; Miss Jo Leslie, home economist; and Mrs. Celeste Sullivan, home service director of Illinois Power Co. The two ladies are presenting an electric clock to the contractor.

SIXTH BIRTHDAY
Mary Schrieber was honored with a party Tuesday afternoon for her sixth birthday, given by her mother, Mrs. Ruth Schrieber, 2109 Missouri avenue. Present were Mrs. Gustav Pendleton, Mrs. Golda Chestnut, Miss Janice French and Miss Rosie French of St. Louis and the honoree's three sisters and brother, Linda Eva, Martha and Maxey Schrieber.

A birthday cake and ice cream were served. The honoree received several gifts.

Mr. and Mrs. Charles James and children, Douglas, Diane and Steve, of Torrance, Calif., left for their home Wednesday following a two-week vacation with a brother and sister-in-law, Mr. and Mrs. Chester James, 2403 Missouri avenue.

HERE FROM TEXAS
Mr. and Mrs. Ira Brown and family of Wichita Falls, Tex., have arrived in Madison to visit relatives and friends. They have made the home of Brown's brother-in-law and sister, Mr. and Mrs. Wilbur Moore, 2007 Fifth street, their headquarters for a period of ten days. They are also visiting his mother, Mrs. Jennie A. Brown, and sisters, Misses Margaret and Hallie Brown, at 1336 Third street. Before returning to Texas, they will visit with Mr. and Mrs. Harry Smith of Ellis Grove, Ill., another brother-in-law and sister. The Browns are former residents of Madison.

FAMILY GATHERING
Mr. and Mrs. George Kiprian, 816 Grand avenue, entertained members of their family with a barbecue and get-together Sunday afternoon.

Those present included Mr. and Mrs. Sam Kiprian, Mr. Robert Withers and sons, Gary and Mark, Mr. and Mrs. Sam Kiprian Jr., Mr. and Mrs. Alex Dobrowski and daughter, Thea, Mrs. and Mr. Joe Dobrowski and children, Joe, Karen and Janice, all of Madison, Mr. and Mrs. Robert Gorman and children, Gregory, Kevin, Lynne and Marie, and Mary Kay, of St. Louis and the Kiprian children, Linda, Kathy and Debbie.

The Madison Ladies City Organization held a monthly meeting Monday evening at the Sportsman's club, with 16 members responding to roll call. Mrs.

Madison
Margaret Michaels, vice-president, presided over a short business meeting.

A social time followed, after which the hostesses, Mrs. Ann Bialczak and Mrs. Maxine Cost, offered a luncheon. The next meeting will be held Aug. 15.

First BEGINNING
First plywood was manufactured in Oregon. A box and barrel plant in St. Johns, Ore., made the first laminated panels in 1904.
